FOREWORD

The years ahead are perilous years for the world, the nation, and indeed the individual. In this gamut of stress, the moments past are sometimes the only sources of inspiration and pleasure. It is with this consciousness of the world and people that the Editor and Staff of the 1962 HAMPTONIAN attempt to present a panorama of the past year's events at Hampton Institute.

Your journey through the "Halls of Ivy" are sometimes sanguine, often hectic, and then at other times perplexing. These and other moods are depicted in the 1962 HAMPTONIAN in an effort to present a picturesque, yet realistic account.

For College days are not to be forgotten or erased from one's recollections of life experiences. The bull sessions, walks on the waterfront, scholastic endeavors as well as social activities are recalled in this condensed form of events.

The Editor and Staff of the 1962 HAMPTONIAN hope that as you turn the pages of this book, segments of your college career will again be re-enacted as milestones for intellectual and social experiences.

Dedication

At the conclusion of each school year, college students get together to recall colorful and joyous activities, along with tedious but stimulating hours of research. And while they may describe the crowning of their homecoming queen, and tell of their wakeful nights of preparing for examinations, the memory is not complete without mentioning the heart-warming contributions made by the alumni each year. Their interest and devotion has, indeed, played a principal role in promoting the intellectual, social, and spiritual welfare of their alma mater. Since its organization in 1881, the Hampton Institute Alumni Association has been dedicated, among other things, toward advancing scholarship by donating to the student loan fund each year. These donations have aided many young men and women in achieving higher learning at Hampton Institute. The members of the class of 1962 have come to recognize the long and valuable services of this worthy association, and are dedicating, as a token of infinite indebtedness, appreciation, and memory, this year's Hamptonian to a noble group of men and women—the Hampton Institute Alumni.

HAMPTON INSTITUTE

HAMPTON, VIRGINIA

OFFICE OF THE PRESIDENT

October 11, 1961

Dear Seniors:

I am very happy to salute the members of the Class of 1962 as they prepare to leave their 'home by the sea' and become a part of the world of tomorrow.

You are completing your college education at a very interesting period in history. It may be akin to the period of the Renaissance which symbolizes the rebirth of art and learning in Europe during the 14th, 15th, and 16th centuries. In contemporary life, we find that man is curiously seeking the answers to hidden mysteries which have been ignored or neglected for centuries. The success of this research places man on the threshold of a new era. This will be a part of your life.

Hampton Institute has given you the necessary experiences to prepare you for a vital role in the social order of the future. We are confident of your success in pursuit of the goals of the good life. Your education is moving from the area of the baccalaureate degree to the informal and formal specialized types which increase your potentials to make a contribution to the welfare of mankind. Your success will be a measuring device of the effectiveness of the college program.

I extend to you on behalf of all of the members of the Hampton Family best wishes and good health.

Very truly yours,

Jerome H. Holland

Parents register for the week-end. Mrs. Avis Wilkins, Dormitory Directress, assists them.

Dr. Holland, President of the College, was quite instrumental in instituting "Parents' Day." Above, he and Mrs. Holland pose with visiting parents and students.

Parents enjoy refreshments served by members of the Men's Council.

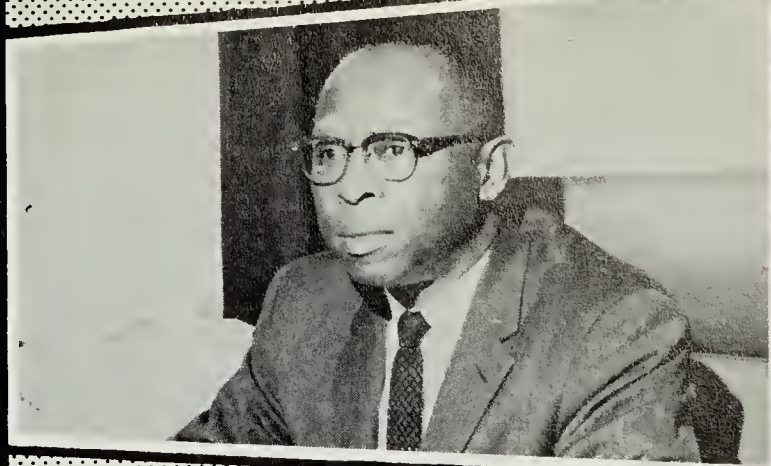

Open house was held in all dormitories. Here, students await the arrival of parents.

Department of Early Childhood Education

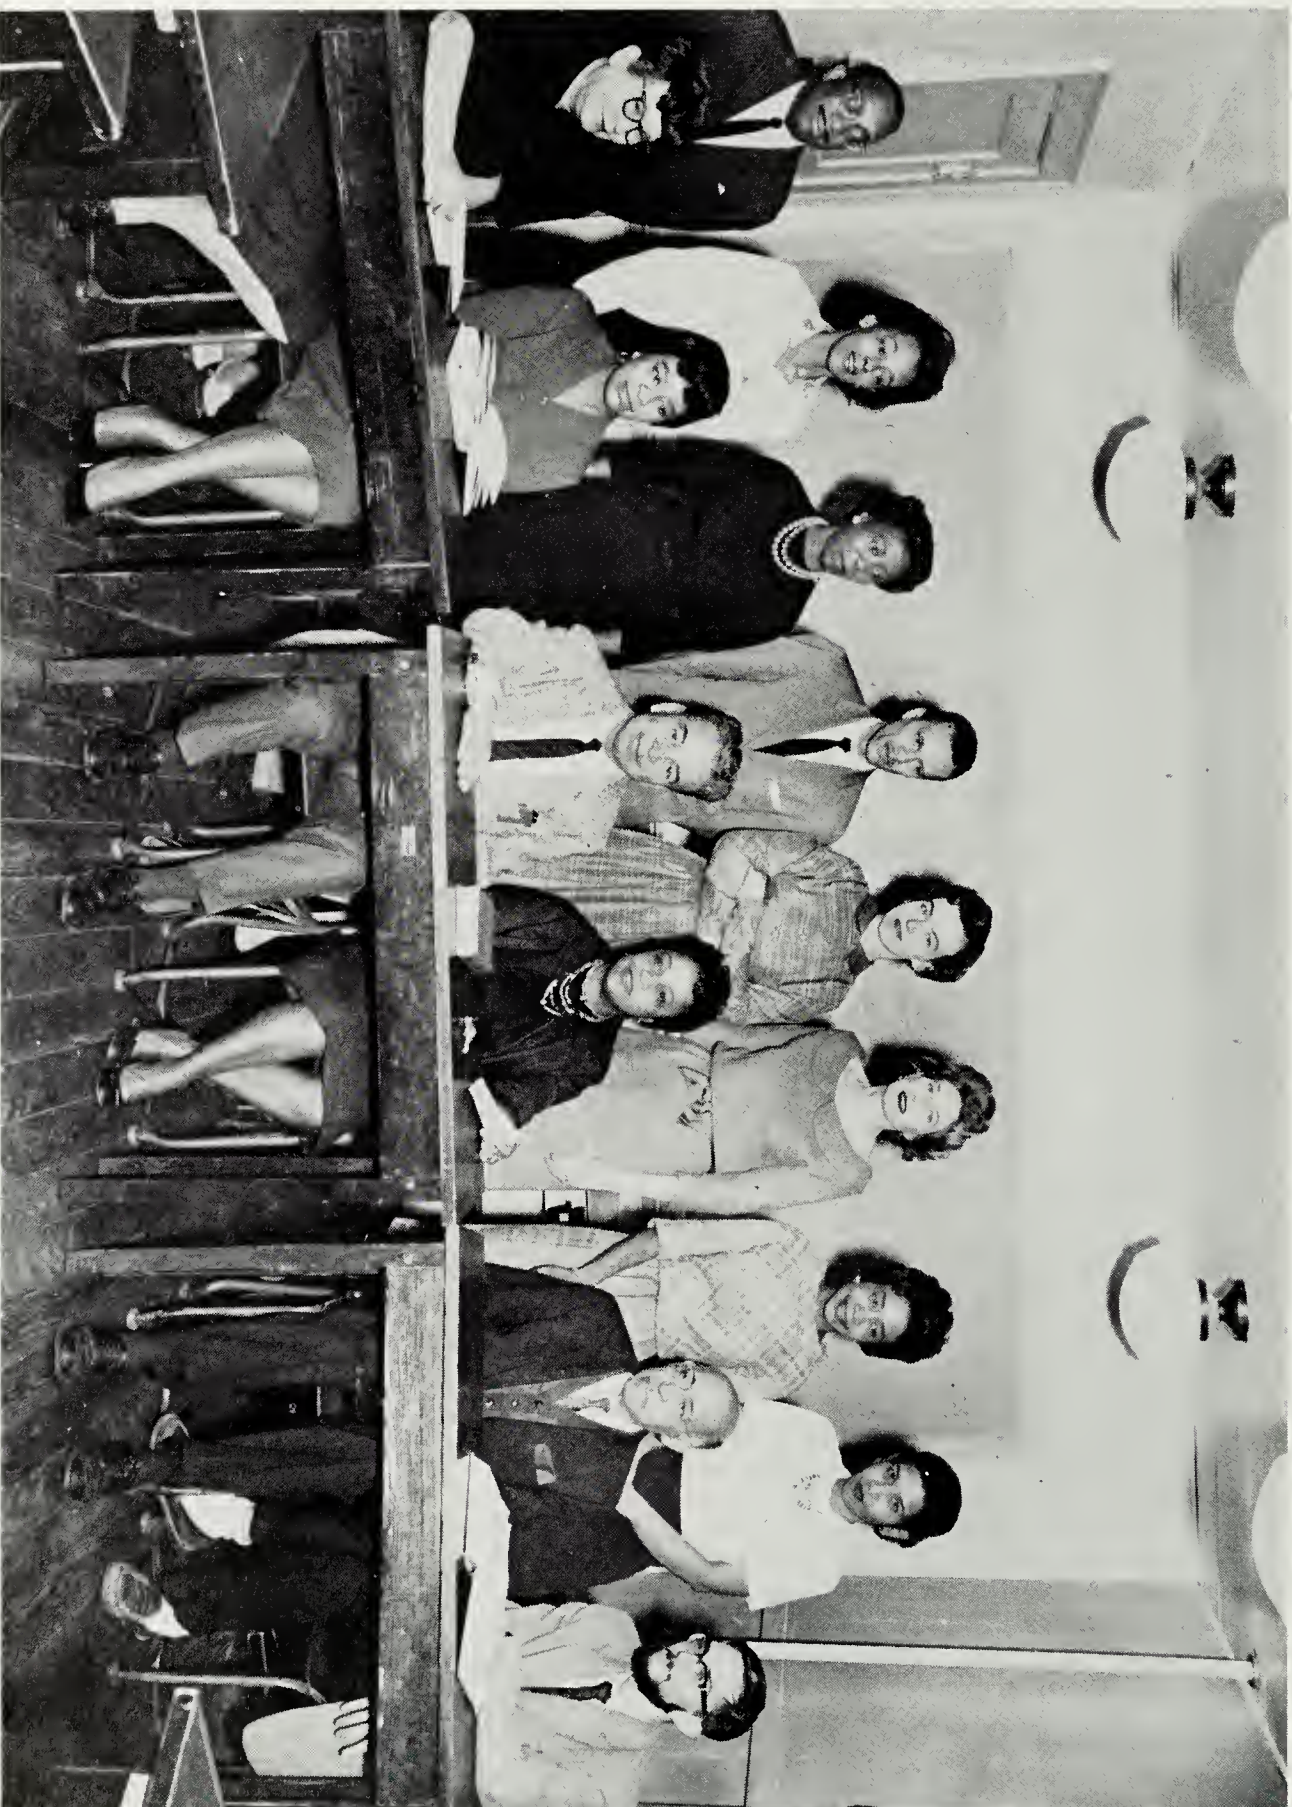

The major objective of the Department of Early Childhood Education is to prepare students for nursery school and kindergarten teaching, and for teaching in the primary grades.

Members of the department (left to right) are: Martha Faison, Alice Powell (Chairman), B. Moore, Helen Simons, Ileana Johnson.

Department of Language and Literature

The Department of Language and Literature of Hampton Institute provides living experiences in reading, composition, speech, literature, drama, mathematics, and foreign languages. It brings together and utilizes a rich sampling of such modern instructional resources as films, recordings, magazines and newspapers, giving students an opportunity for effective growth in those areas of communication in which they have special needs, interests, aptitudes and abilities.

Pictured (left to right) are: SEATED: Clara Perkins, Margaret Davis, Dowling Bolton, Nancy McChae (Chairman), John Mathews, Russell Whitney, Jr. STANDING: Charles Nichols, Mable Jackson, Jessie L. Brown, Robert Screen, Marian Smith, E. Postman, Mary Rucker, Lois Bryant.

Department of Art

The Art Department of Hampton Institute provides experience in the basic theories and practices of visual arts. It fosters the awareness of the imaginative, emotional, and intellectual faculties of the students through a rich program that is to make them conscious of their responsibilities as citizens serving their community in its aesthetic as well as utilitarian aims.

Pictured (left to right) are: Joseph Gilliard, Louis Rosenfeld (Chairman), Benjamin Wygfall.
NOT SHOWN: Frederick Gronstedt and John Kous.

Division of Physical Education

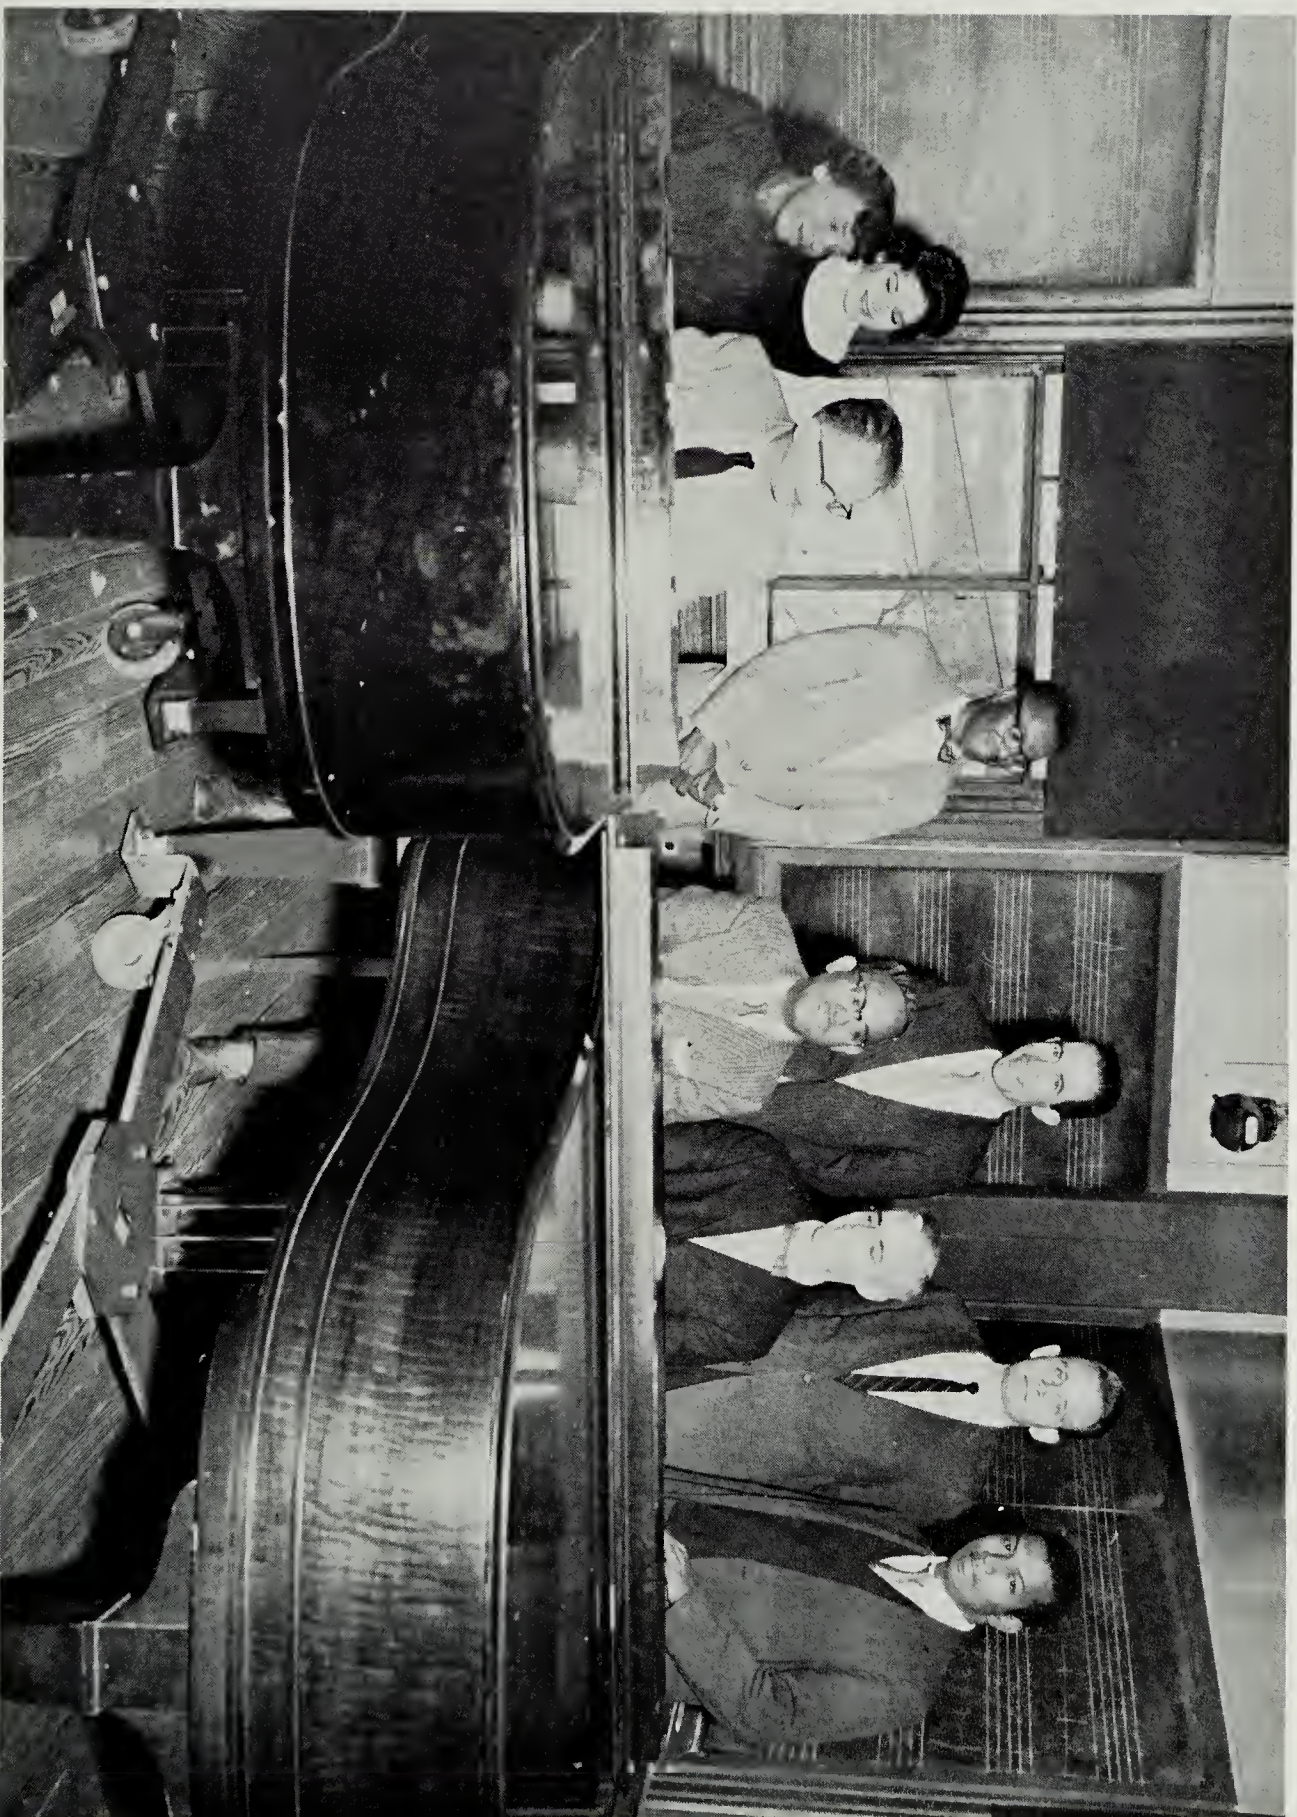

The program of studies in the Division of Physical Education at Hampton Institute aims especially at properly preparing trained teachers for the elementary and secondary schools. These graduates are able to teach character development and social values, as well as the skills required in games and sports.

The Division of Physical Education includes (left to right): SEATED: Alberta Webb, Geneva Wells, Elsie Manley. STANDING: Sylvius Moore, Willie Smith, Herman Neilson (Chairman), Benjamin Whaley.

Department of Music

The primary objective of the Department of Music is to train teachers and supervisors of music in secondary schools and to provide the music training required of teachers in the elementary schools. To this end the department offers planned experiences within the framework of a sequence of major courses in music education, music theory, music literature and history, and applied music.

Members of the Music Department are (left to right) SEATED: Willia Colden, Henry Switten (Chairman), Hugo Born, Charles Simons. STANDING: Marilyn Dubin, Rufus Easter, Howard Brucker, Wilbert Greekel, George Da Costa.

Division of Technology

The emphasis on technology in our changing world demands programs of specialized training and versatility in the applied sciences. Applied Studies in a number of technical sciences, occupations and professions are offered in the Division of Technology.

Pictured (left to right) are: Isiah Perry, William Mosses (Chairman of Department of Architecture), Joseph Gilliard, James Moore, John Frank (Chairman of Industrial Arts Department), Martin Smith (Director of Division of Technology), Henry Livas, James Brooks, Samuel McGhee, Reginald Jackson, William Queen, James Bell, James Russell (Chairman of Electronics Department).

Division of Business

The aim of the Division of Business is to develop professionally competent graduates, qualified to fill positions either in government or private enterprise. The program also equips the student with sufficient background to meet the requirements for graduate study.

The Division of Business is composed of the following faculty members: SEATED: Blanche Messier, Ganiyu Jawando (Director), Ruth Taylor. STANDING: Theodore Friedenberg, Sopholia Parker.

Departments of Elementary and Secondary Education

These departments have as their basic objectives the preparation of teachers for elementary or secondary schools. The Elementary Education Department not only seeks to prepare students in this major but to assist in the preparation of students majoring in early childhood education and other areas of specialization. The Department of Secondary Education prepares students for the teaching of art, business, language and literature, music, natural sciences and other areas of study offered here at Hampton.

SEATED (left to right) are: Joan Bodoïn, Mathew Burks, Mary Christian, William Robinson (Director of Education and Graduate Study), Martha Dawson (Chairman of Department of Elementary Education).

Department of Military Science and Tactics

The objective of the Department of Military Science and Tactics is to train selected students under the Senior Division Reserve Officers' Training Program for commissioned service as officers in the Army of the United States.

Department of Social Sciences

The Department of Social Sciences has a two fold objective: (1) to contribute to the general education of the Hampton Institute student by helping him to become a responsible, intelligent and informed member of the local, national and world communities, and (2) to offer a major sequence to students preparing for careers in governmental and social service and for advanced study in graduate and professional schools, and for teaching of social sciences.

Pictured are (left to right) SEATED: Robert Roth, Vernon Bodein, Philip Campbell (Chairman), Anita Mack, Louise Armstrong, Paul Drost. STANDING: Frank Hustmyer, Edward Kollman (Director of Division of General Education), Rev. Walter Dennis, Edward McColgan, Webster Powell, Haven Perkins, Ityman Kunitz.

Division of Home Economics

Home Economics is a composite area of the natural and social sciences and the arts. It deals directly with the problems of individuals and of family life, the fundamental purpose being to educate for better personal, home and family life which naturally leads to improved community living. For these reasons many home economics courses are open to both men and women.

SPORTS SECTION

1962 DEDICATED TO

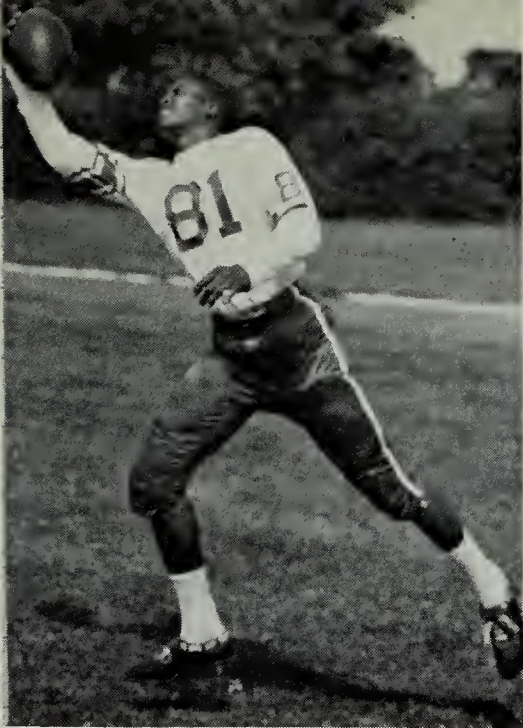

103¹ Champion

GRIDMEN

FRONT ROW (L to R): Portfield Harris, Arnet Beam, Herman Neilson, Coach Smith, Samuel Gains (capt.), Carl White, Allen Weatherford, Charles Carter, John Scott.
BACK ROW (L to R): Hiawatha Harris, Sylvius Moore, Major Jones, Harold Gates, Moore, James Unthank, Alfred Farmer, Emanuel Crockett, Thomas Culler, W. Goldsb, Reginald Jackson, Alonzo White, E. Hunt, Maxwell Thomas, Harvey Fleshman.

CHARLES BEY: 5' 11", 175 lbs. A stalwart end on the Pirate eleven for four years. Recipient of the Townsend Trophy in 1961 and served as captain in his senior year. Won coveted title of All CIAA End in 1961.

LIGAR BRAZIL: 6' 1", 195 lbs. Led the team in pass interceptions with seven as well as played an outstanding season at center for the Pirates.

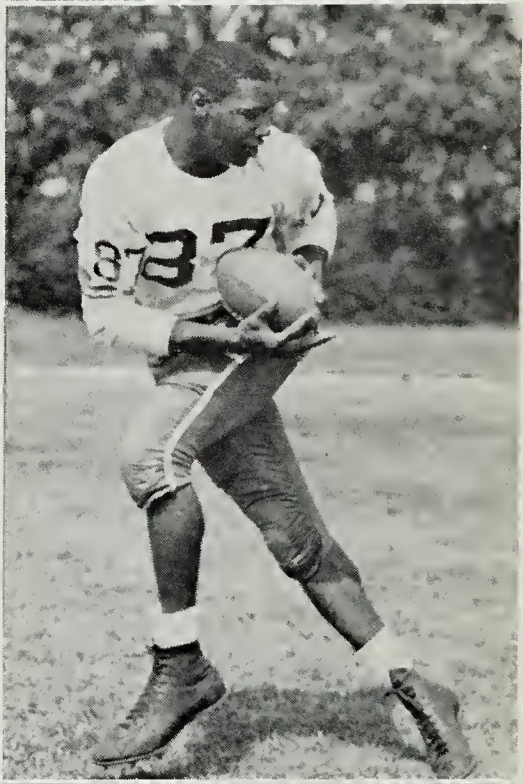

WILLIAM CARVER: 6' 1", 210 lbs. Carver did a commendable job at fullback and was an alert linebacker on defense.

ELLIOT HILL, 6', 200 lbs. Performing from his running guard position with pride and determination, opening gaping holes for fleet Pirate backs.

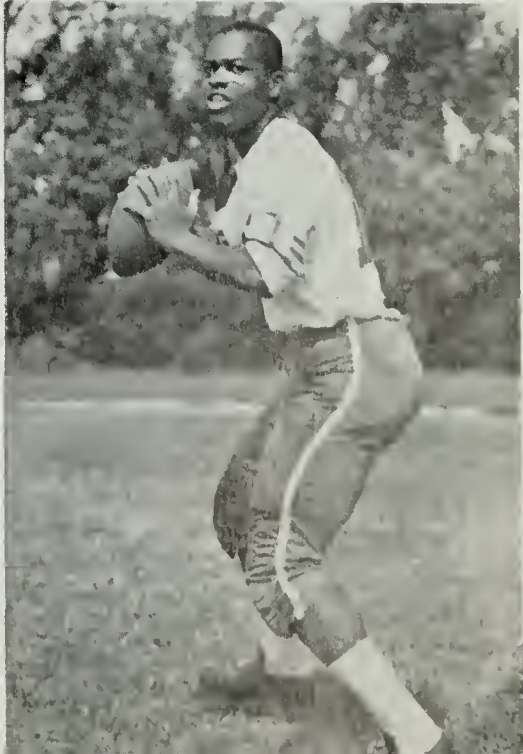

WILLIE HOLLAND: 5' 7", 185 lbs. Holland had a total of 88 points scored for the season and was the CIAA second leading ground gainer, with 886 yards.

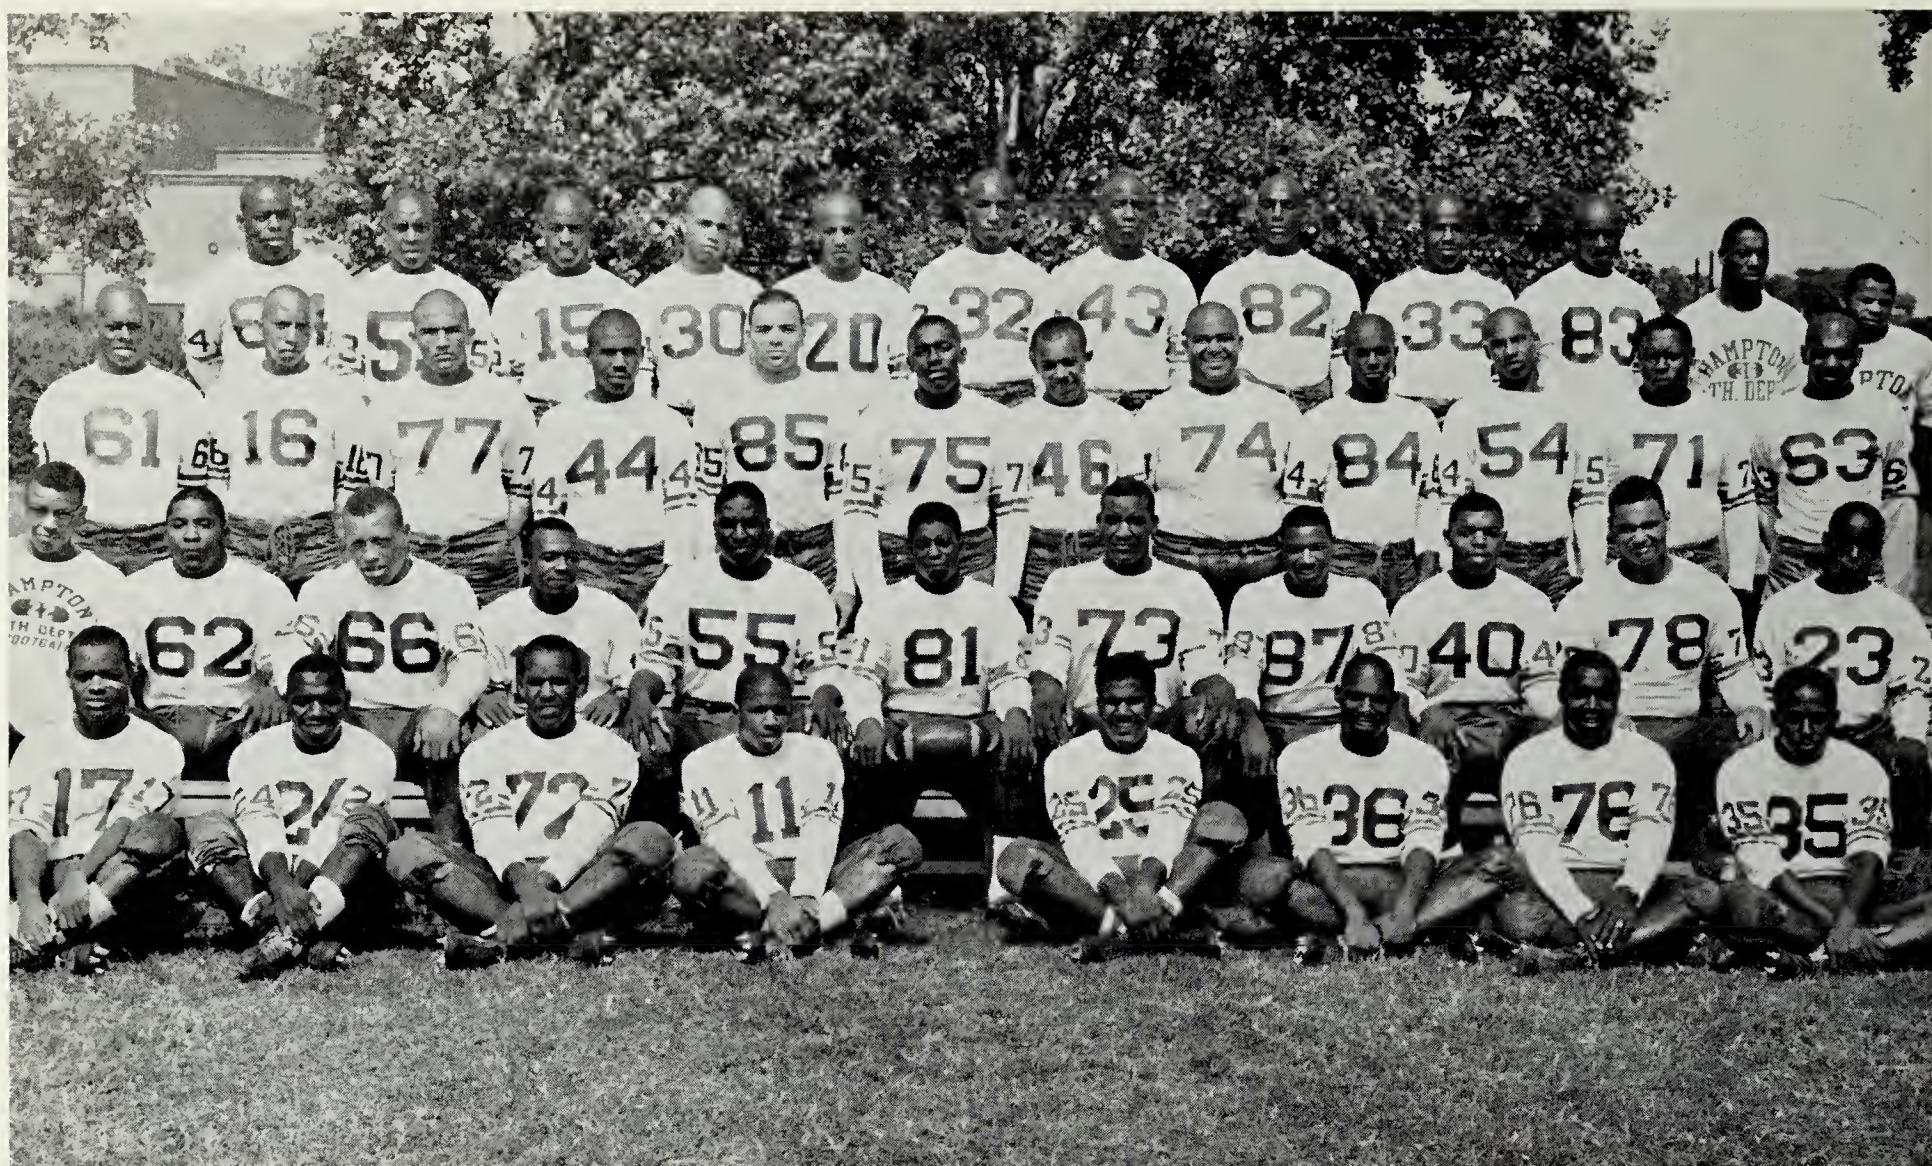

WILLIE INGRAM: 6' 3", 190 lbs. Willie finished his football days at Hampton in fine fashion from his stellar end position.

CLAUDE TROTTER: 6' 5", 200 lbs. With his devastating charge, Trotter was deft in blocking enemy punts, blocking one for a two point safety.

ALVIN WALKER: 5' 10". Walker was the place kicking specialist for the past season, kicking fifteen PAT's and three field goals.

Hampton Institute Pirates

FRONT ROW (left to right): Alvin Walker, Willie Holland, Benjamin Ross, Jon Thomas, John Boykin, Vernon Anthony, Edward Thorpe and Larry Manning. SECOND ROW: Jimmy Griffin, mascot, Martin Bailey, Elliott Hill, James Young, Ligar Brazil, Charles Bey, captain; Claude Trotter, Willie Ingram, William Carver, Lucien Reeberg and William Palmer. THIRD ROW: Euna Edwards, Marcellus King, Henry Bryant, William Robinson, Currie Ball, Oliver Johnson, Elijah Suber, Charles Walke, Leon Fowler, John Fletcher, Robert Blake and Allen Pugh. FOURTH ROW: Frank Austin, Theodore Tasker, Carey Hughley, Arthur Jefferson, Horace Thompson, Clarence Tucker, Leslie Gross, Jerry Fauntleroy, Jimmy Moore, Alfred Walden, Stanley Wagstaff and Larry Hardison, managers.

BENJAMIN F. WHALEY
Head Coach

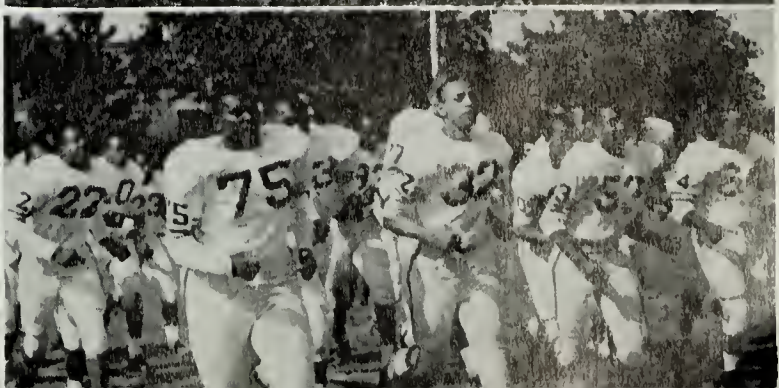

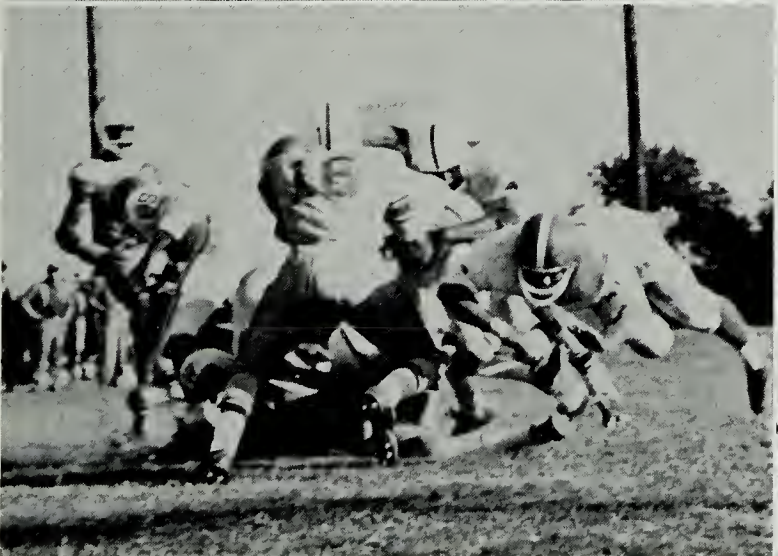

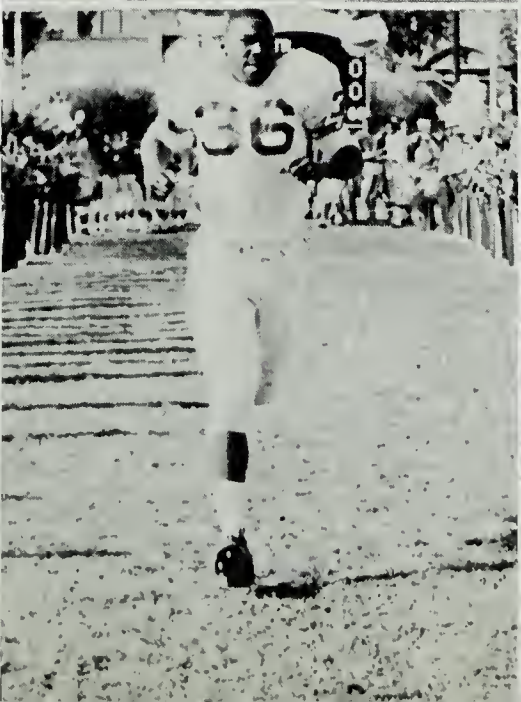

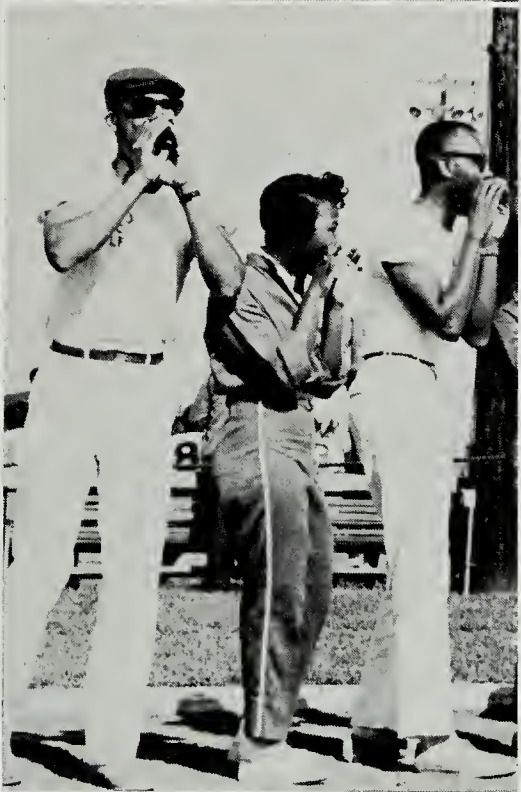

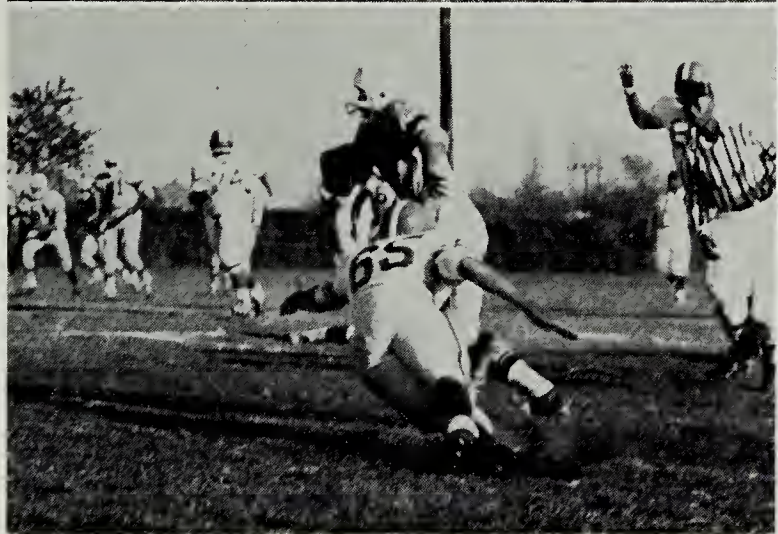

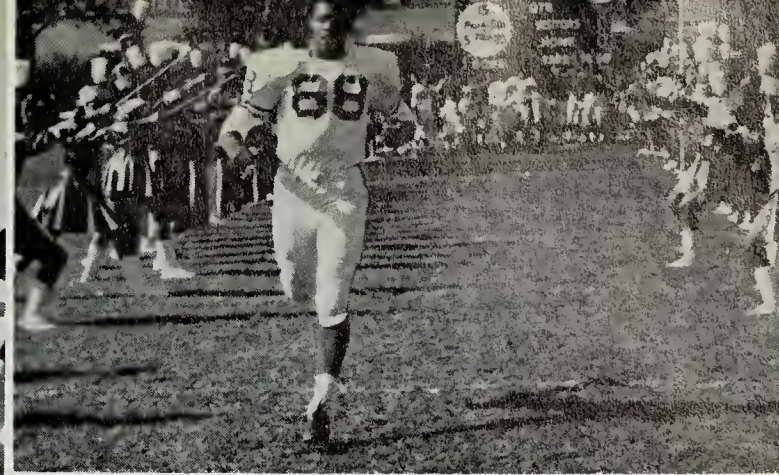

DR. J. M. GRIFFIN
Backfield Coach

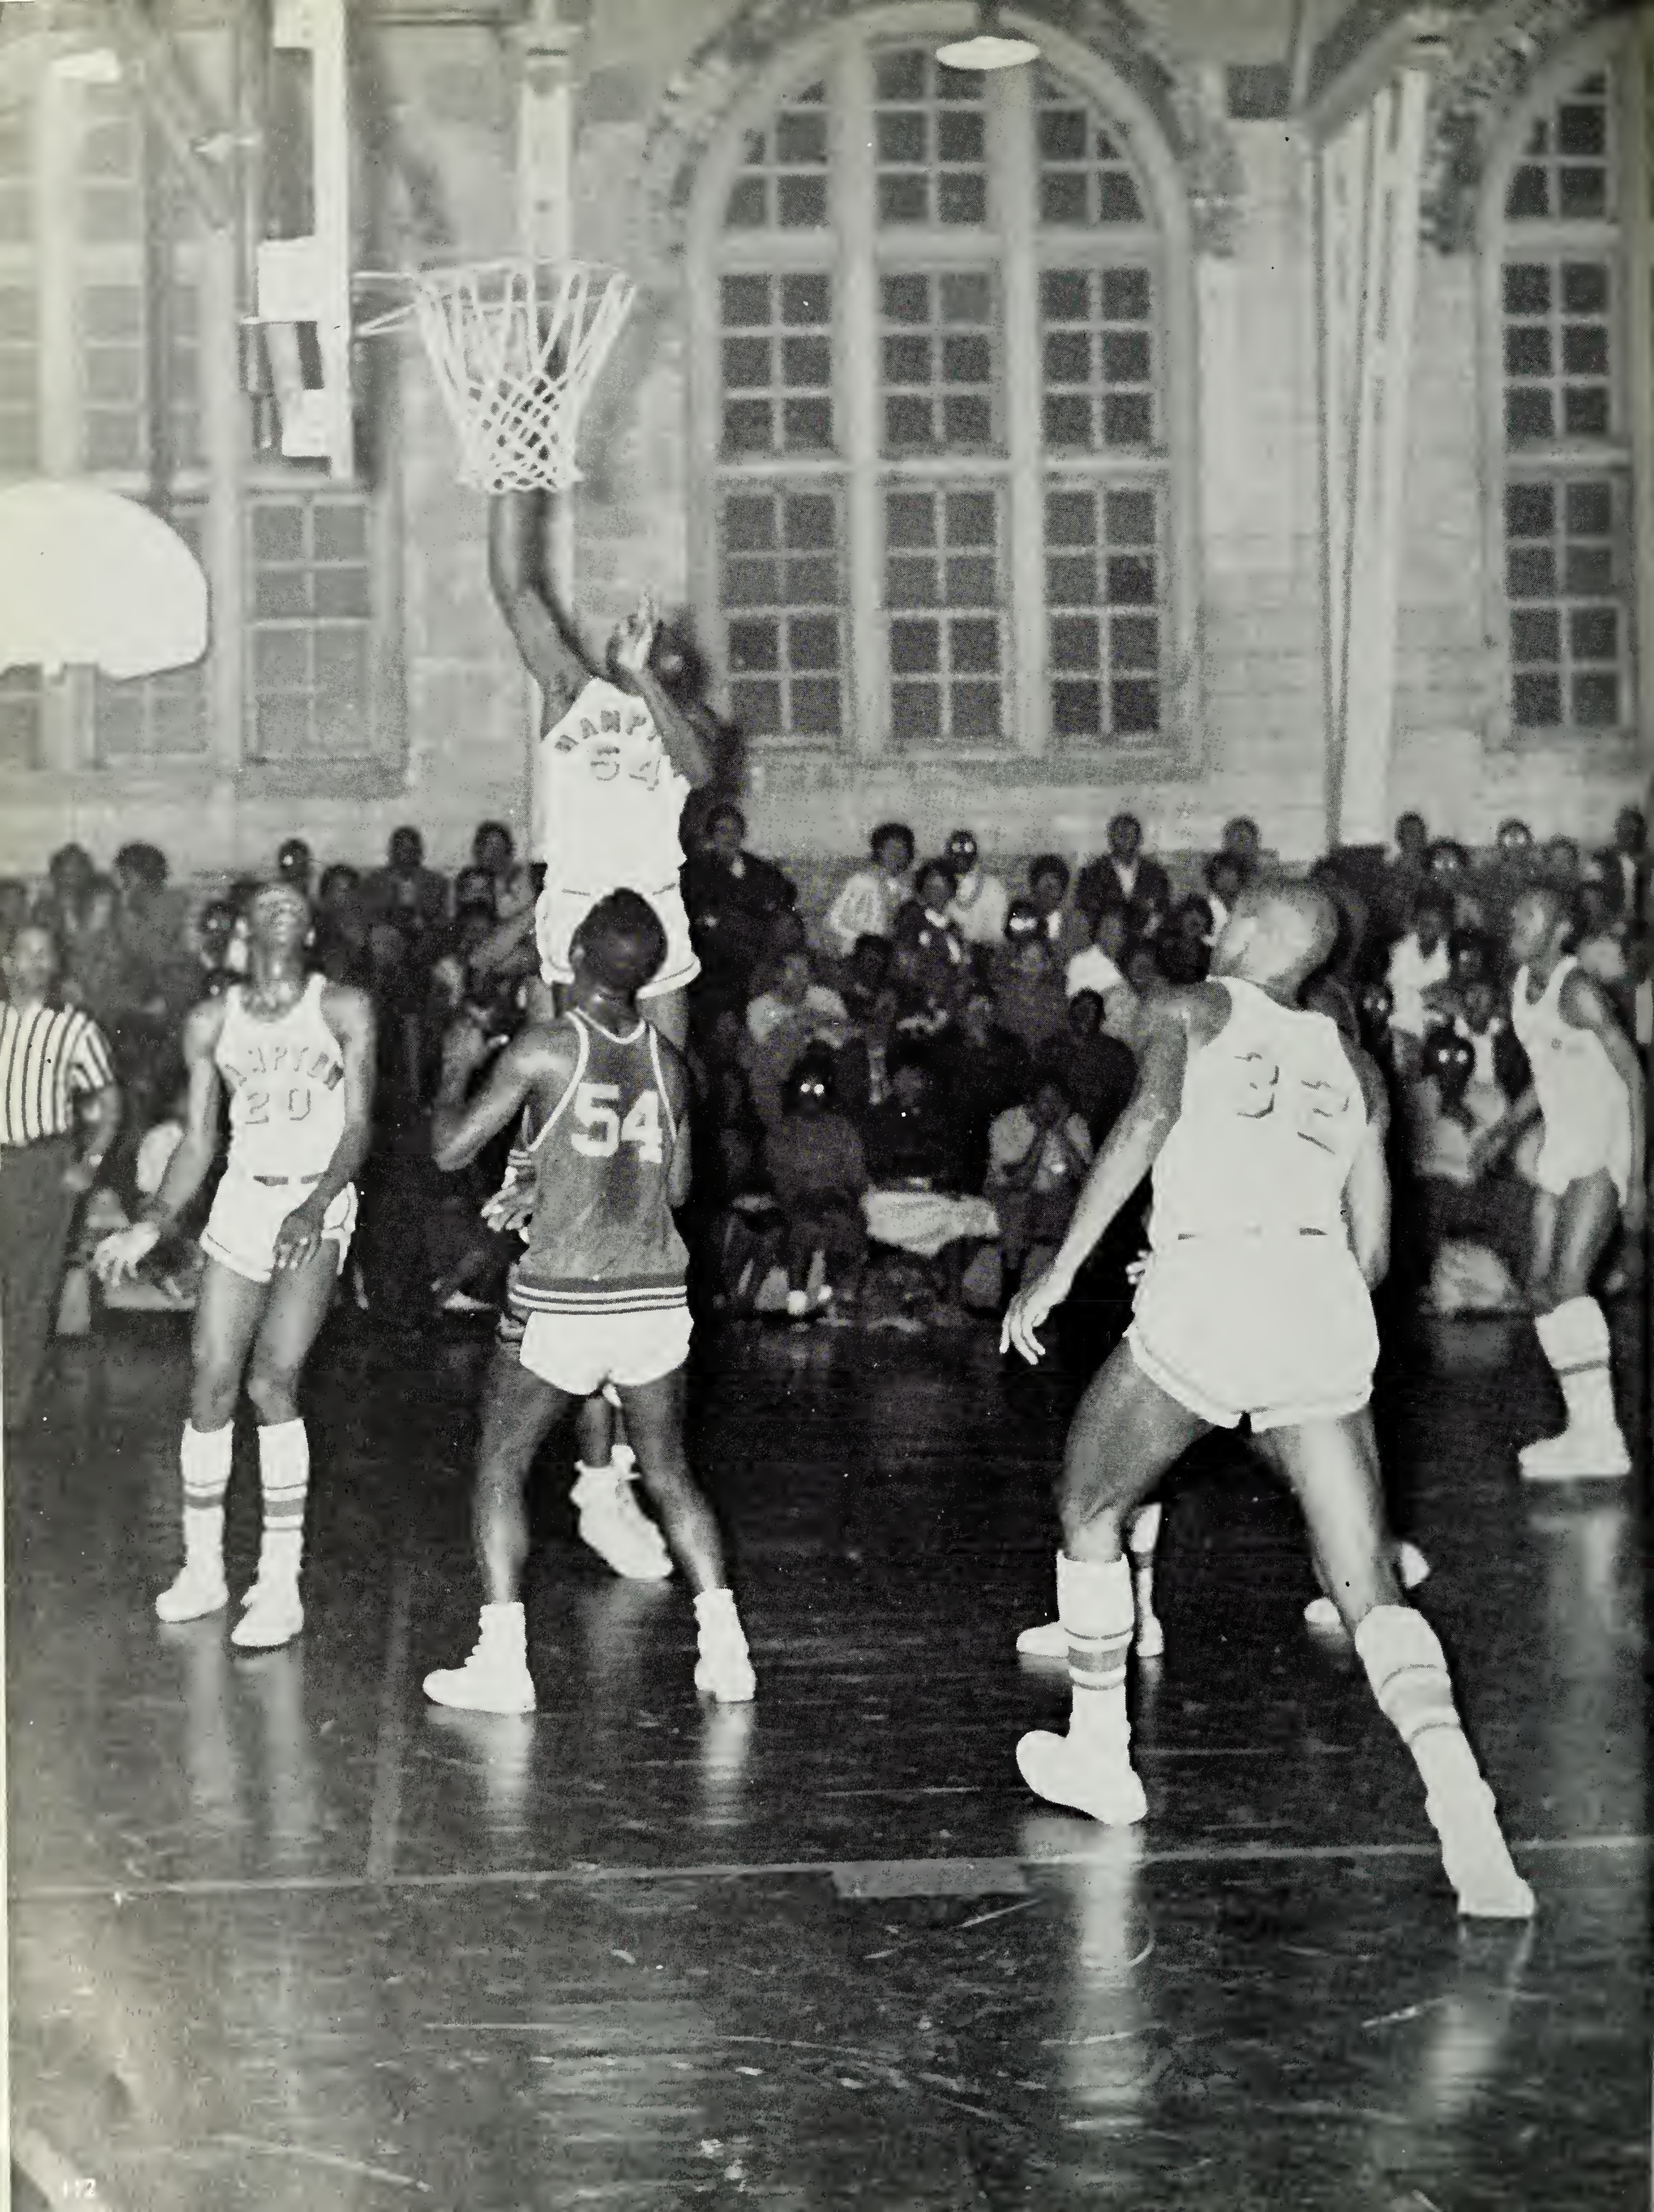

DR. H. NEILSON
End Coach

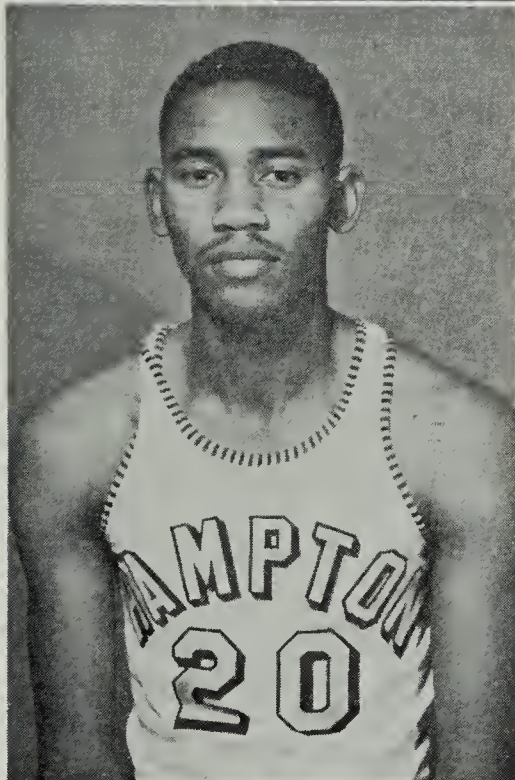

SYLVIUS S. MOORE
Line Coach

ARNOLD BARKERS: 6' 4", 194 lbs. Top rebounder, good on defense, rough under the boards, but had to carry too much weight alone. Hustles and listens to instructions well.

JOSEPH BRIGGS: 6', 160 lbs. Showed that he could come into his own, played several outstanding games. Has a good two handed set shot, good on defense, hustles and is a leader. Briggs did much to hold the team together while Brown was injured.

JAMES BROWN: 5' 9", 162 lbs. Starting for three years, Capt. Brown brings his career to a close. Excellent ballhandler and drives well. Backbone of the squad. Has a good jump shot but was "marked" by coaches the entire season.

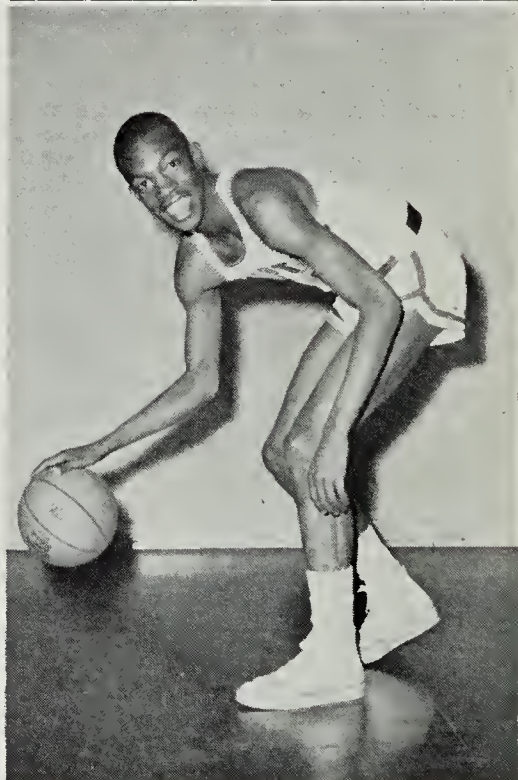

CLEOHPUS CLARK: 6' 4", 175 lbs. Broke into the starting lineup, this is his second year. His favorite is a long jump shot. Did much to keep pressure off the inside men. With two years left, "Toby" should become a great threat.

CHARLES GRANT: 6' 4", 175 lbs. A freshman, but the top scorer on the team, fine all-round game, can't be stopped under the boards. Alert and fast, Grant can develop into one of the Pirate all-time greats.

GEORGE MOODY: 6' 1", 160 lbs. Very good ballhandler, has a good jump shot. Is calm under pressure and moves well on the floor. Has two years to play, should regain his form which comes in spurts.

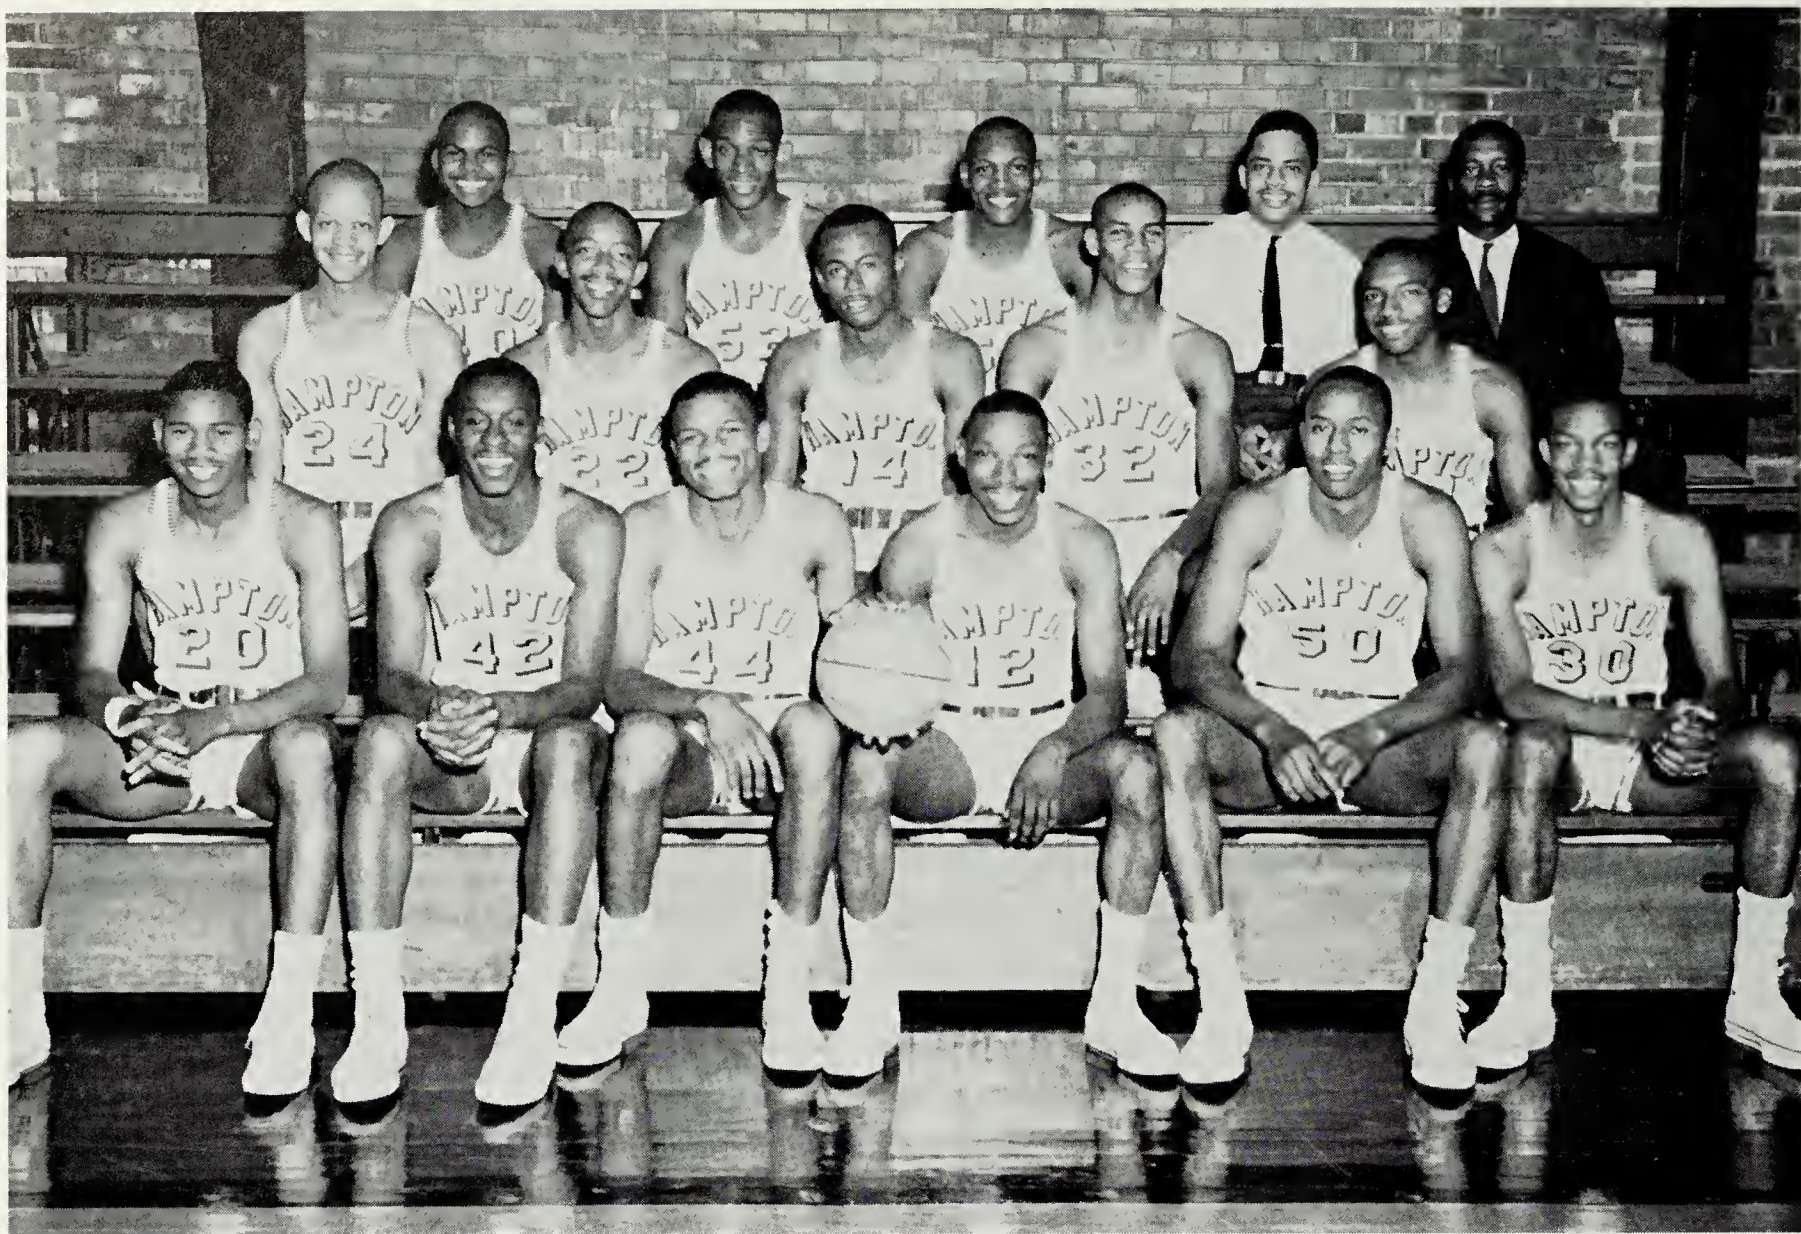

CLYDE PRITCHETT: 6' 3", 190 lbs. Has one of the most accurate shots on the team. All-round play is not spectacular, doesn't move too fast, but . . . he can shoot.

GEORGE WALDEN: 6' 2", 183 lbs. Seldom on the bench, Walden manages to hold his own whenever he hits the floor. Can move well across the floor. George should be called on extensively next season.

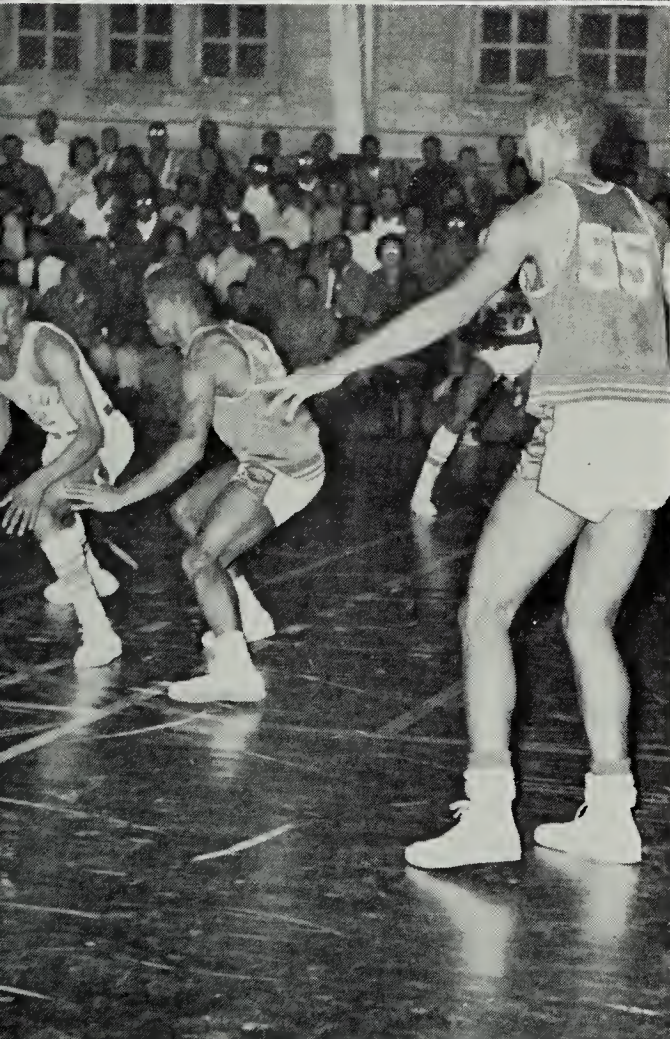

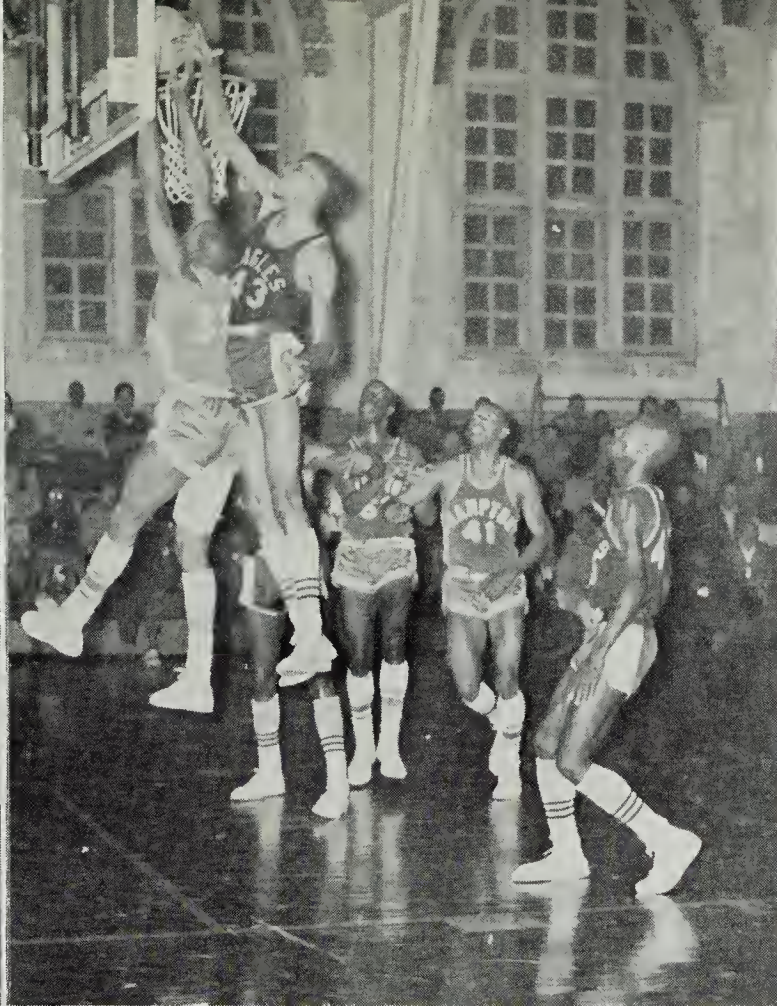

Basketball

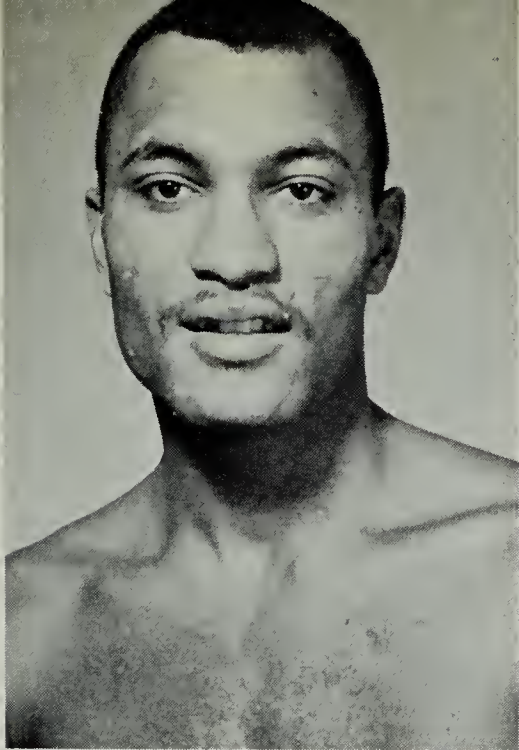

FRONT ROW (L to R): Briggs, Walden, Clark, Brown (capt.), Barkers (capt.), Moody.
 SECOND ROW (L to R): Pritchett, Higgins, Harris, Grundy, Sturgis.
 THIRD ROW (L to R): Handy, Duncan, Grant, Brown (mgr.), Coach Smith.

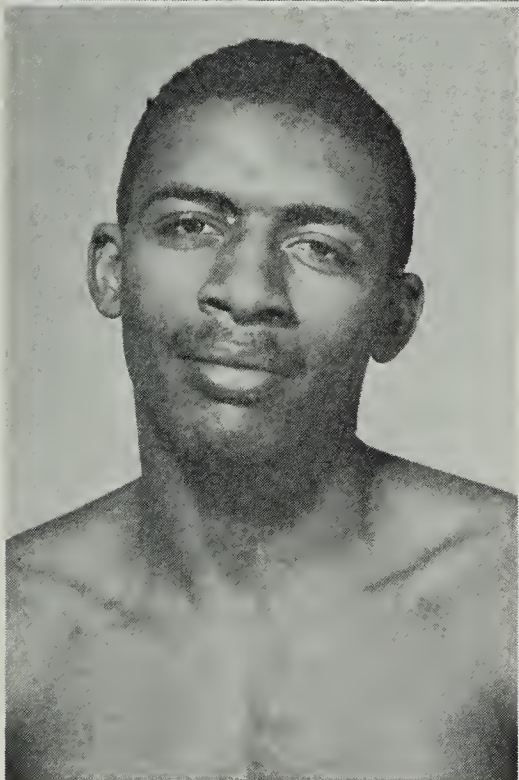

Coach Smith goes over last minute details.

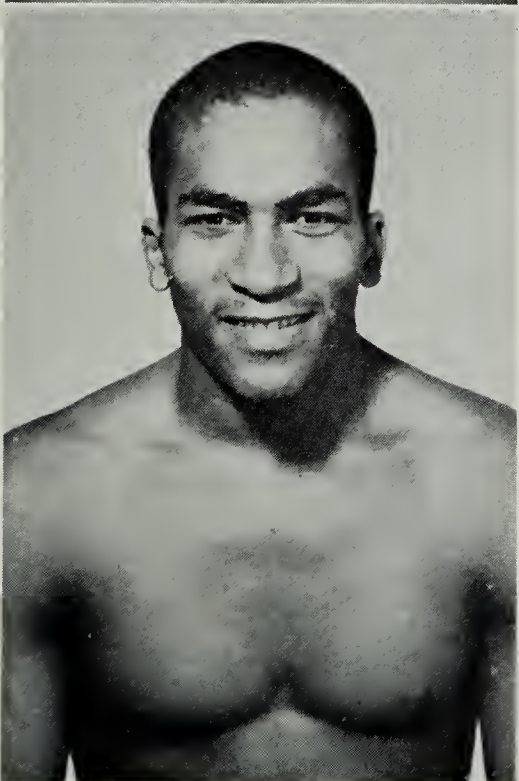

WILMER GRANT: Turned in outstanding performances in the butterfly and freestyle as well as competed in the individual medley. Served as captain for three years, exhibiting astute leadership qualities and set very high and rigorous standards for his teammates.

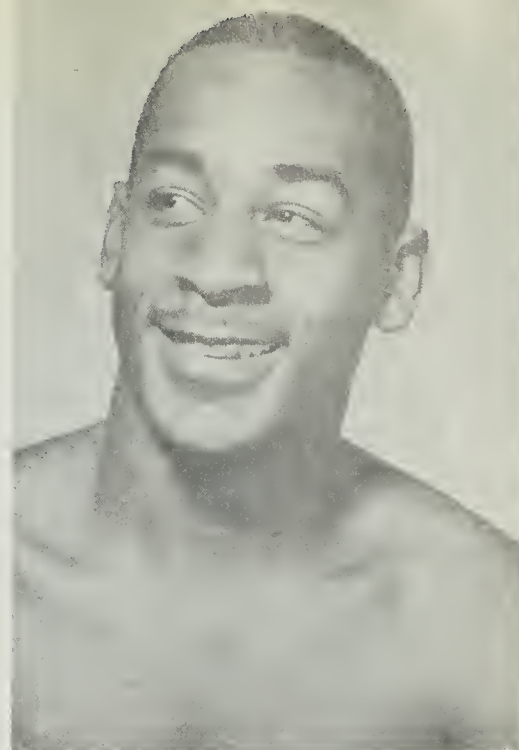

ISAAC GADSDEN: Very versatile, competed in the 50-yd. F.S., 100-yd. F.S., 200-yd. backstroke, 200-yd. breaststroke and the 200 individual medley in one season. Gadsden is the CIAA record holder in the 100-yd. breaststroke with 1:08.7 time.

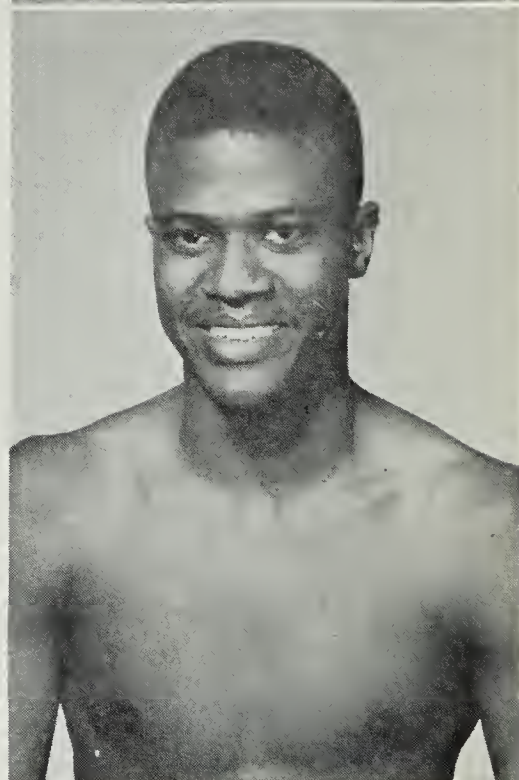

LLOYD LEE: Switched from freestyle to backstroke in his last varsity year and established new conference records in all events in that stroke. He went undefeated for the season, while streaking to times of 1:02.0 in the 100 and 2:25.0 in the 200.

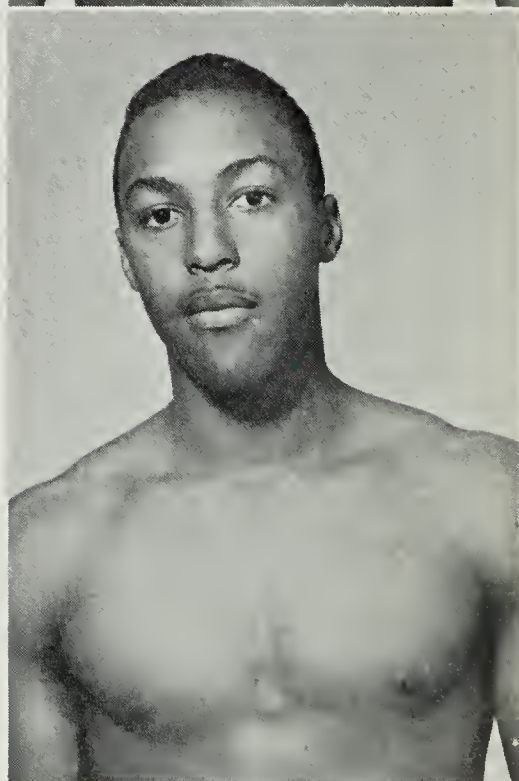

ELRIDGE COLEMAN: Competed in the 100 and 200-yd. breaststroke as well as spring-board diving.

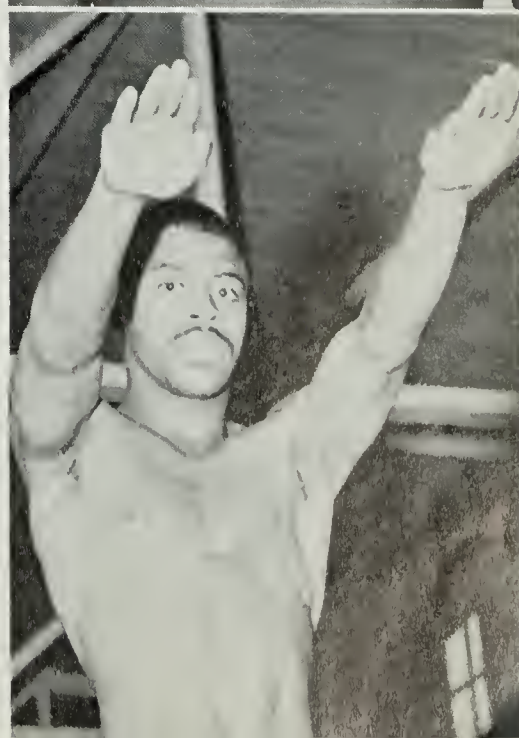

CALVIN JONES: Swam all freestyle events from 50 to 1500 with special emphasis on the 50 and 100 yd. freestyle. Swam anchor leg on both the 400 freestyle and the 400 medley relay teams.

LEON McLAURIN: Swam 220, 440 and 1500-yard freestyle, never finishing lower than third all season.

LORENZO SNOWDEN: Swam 50, 100 and 220-yd. freestyle and subbed on the relay teams.

CARY HUGHLEY: Primarily a diver, but competed in the 100-yd. breaststroke and turned in very good performances.

Swimming

HAMPTON TANKERS

FIRST ROW (left to right): Coach Exum, Gadsden, Grant (capt.), Thompson, Burkeen, Scott, Lee, Robinson, Head Coach Moore.
 SECOND ROW (left to right): Coleman, Jones, R. Gordon, Snowden, K. Gordon, Perry, McLaurin, Braycey, Hughley.

DIVING COACH
ALEX EXUM

Freestyle Relay Team: L-R (Gordon, Grant, Gadsden, Jones).

On the way to a new relay record.

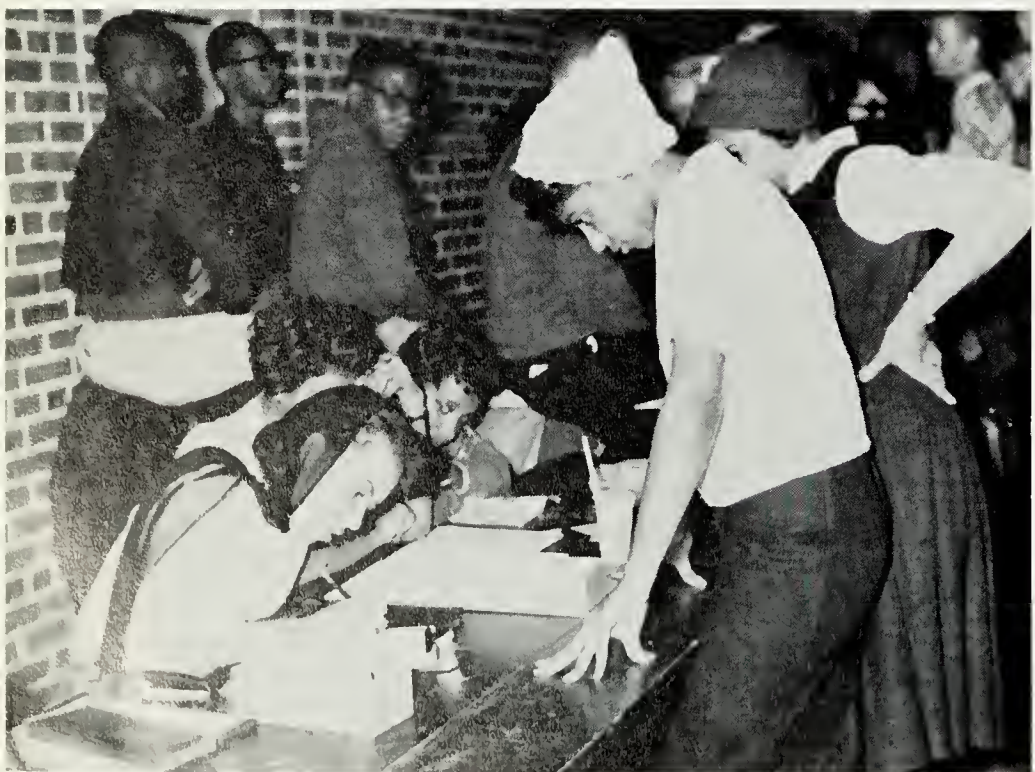

Hughley comes out of the inward dive.

Push hard, Ray, only two more laps to go.

"Bear," don't press that button too soon.

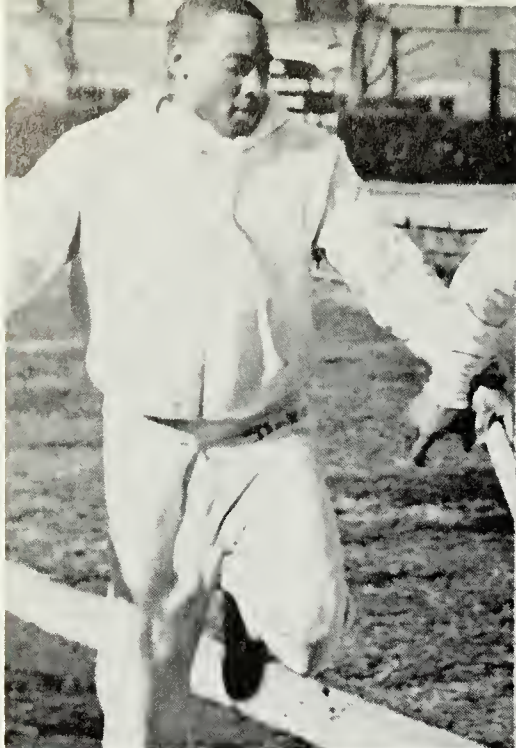

But we were ahead by 7 points before the diving event!

I've always wanted to play the numbers.

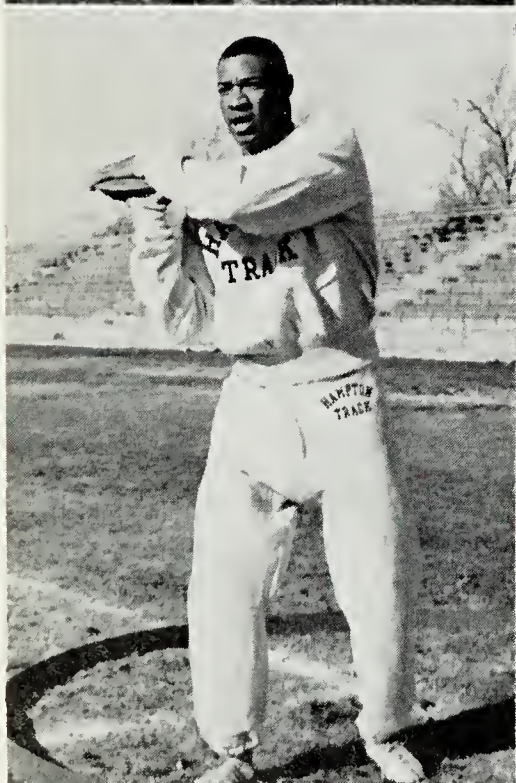

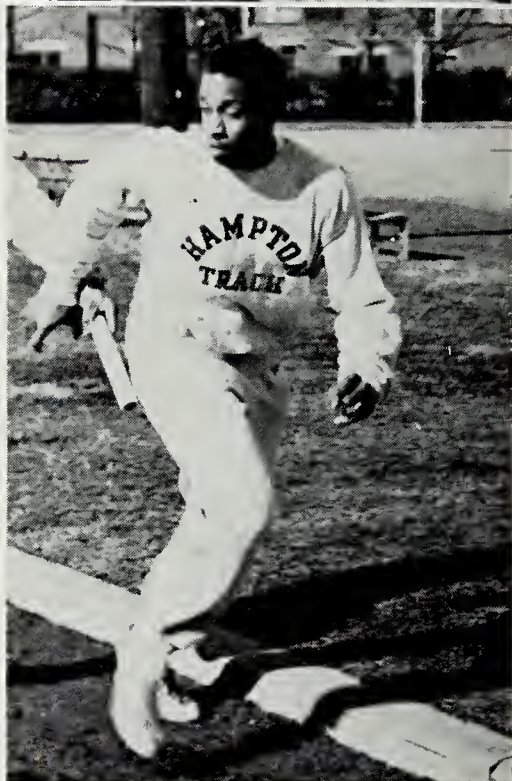

JOHN COLEMAN: A newcomer to the H.I. cinders. Will be counted upon heavily this season to compete in the 400, 440, and 880m. Brings with him a great deal of track experience from successful competition for the U. S. Air Force.

VAUGHN RUSSELL: Competing in the 880, is expected to "push" many of the leading participants in this event. Constantly training in an attempt to improve himself, is expected to hold his own competing with the relay team.

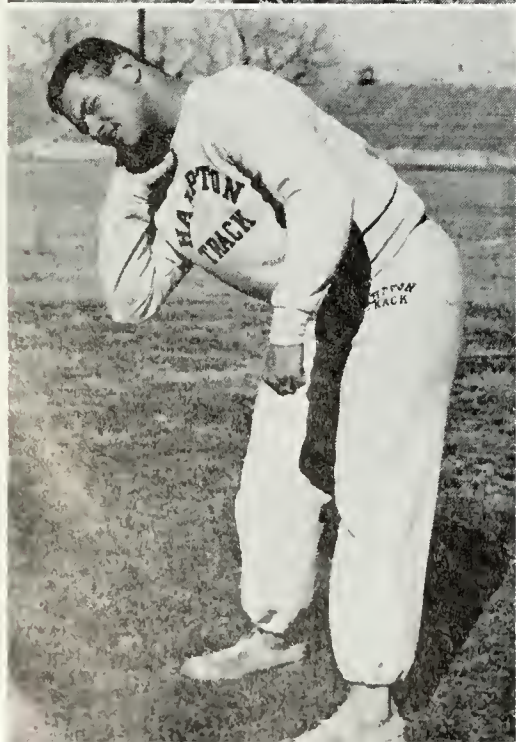

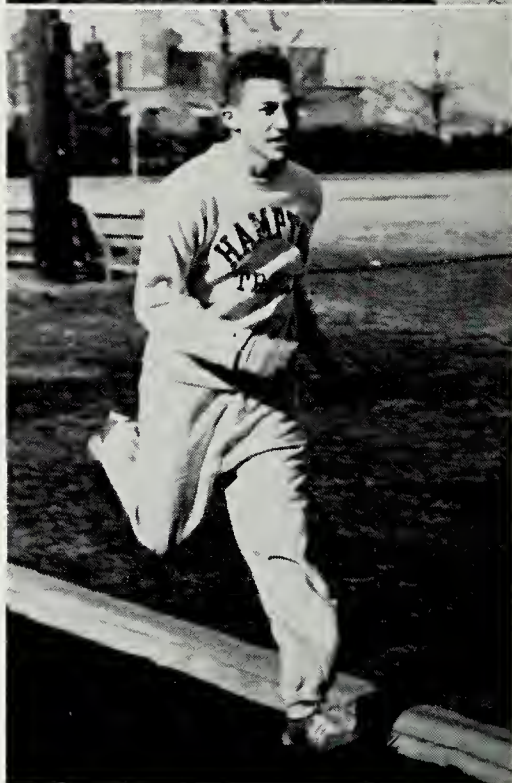

LOUIS HORNER: A member of the Silver Baton Relay team which won the College One-Mile Relay Championship of America in 3:22.6 sec., at the 1961 Penn Relays. Is expected to perform equally as well with other H.I. "fleet-foots" this season. Despite claims of specialty in the 440 and 880, is capable of equal performance in other events.

VIRGIL WHITE: A definite relay leg position who will compete with the top relay teams. Has developed exceptional speed and is being counted upon to provide H.I. with great strength.

WILIE INGRAM: Adding his abilities to the area in which he is most physically capable, will compete in the discus and javelin. A veteran athletic participant, is certain to perform with athletic excellence for which he is noted.

VERNON "VERN" WILLIAMS: Strictly a distance man, competes in the one and two mile runs. Trains very hard which helps him to continually reduce his time. Finishing with a strong kick, can hardly be denied a position at the line.

LUCIEN "BERG" REEBERG: Concentrating on the shot, is expected to develop a "put" which will require him to develop a more competitive attitude in years to come. Has great potential and definite facilities to greatly benefit this year's team.

GEORGE WINSTON: A little man with great potential and drive, is competing for the first year with the Pirates. Is concentrating on his seven steps and showing great promise as the season progresses. A good man to watch.

Track

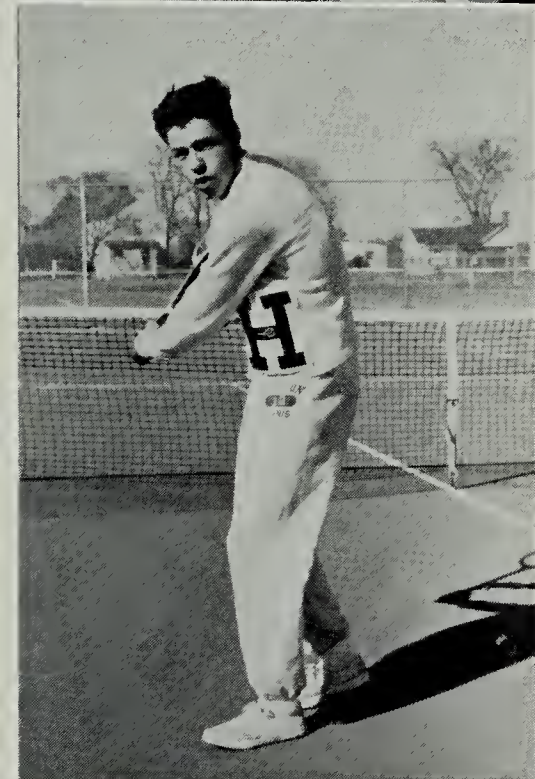

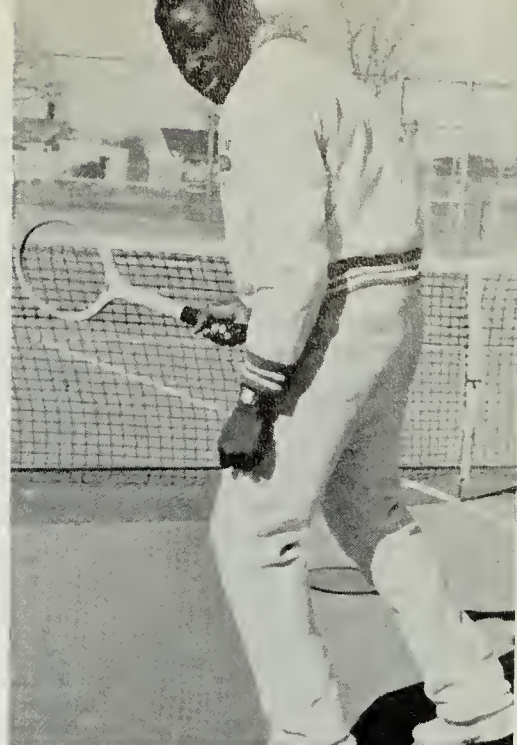

FRONT ROW (L to R): Coleman, Fauntleroy, J. Johnson, Horner (capt.), Reeberg, Williams, Russell. BACK ROW (L to R): Winston, Ingram, R. Johnson (mgr.), White, Richerson, Dr. J. Morgan Griffin (coach).

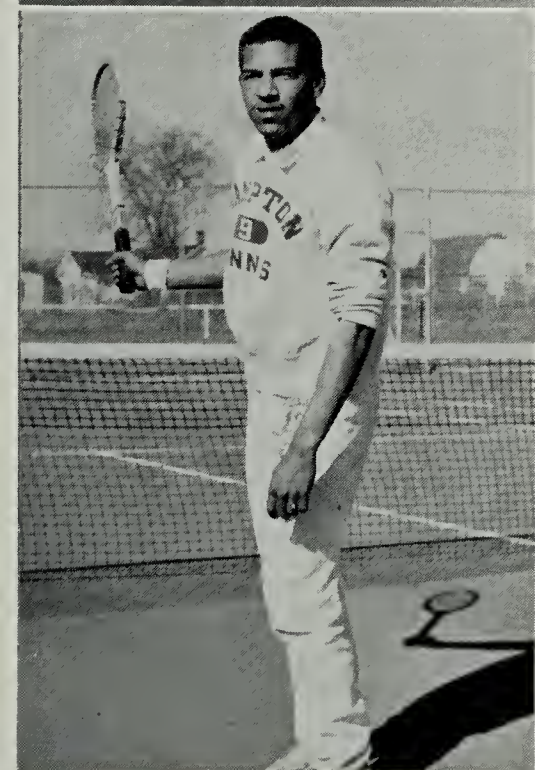

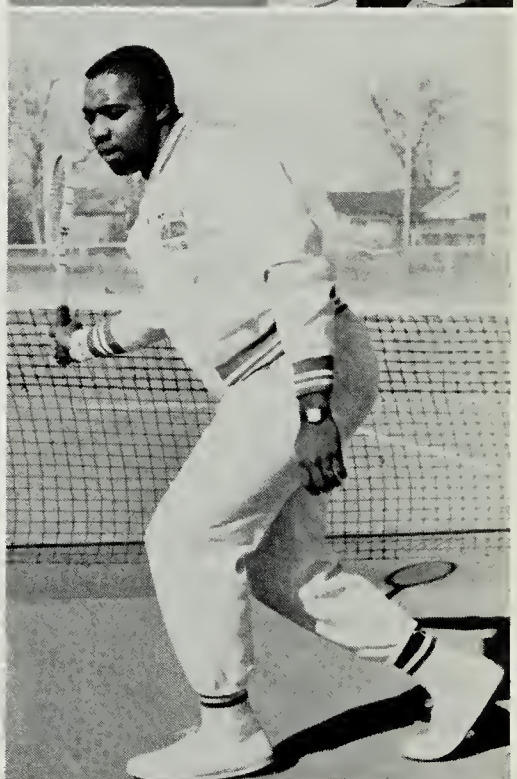

FRANK HANLEY: Comes from Indiana with good credentials. Should develop into one of the top players in this conference. He is fast and easy to teach.

THEODORE PRATT: Was an outstanding player in Sierra Leone. Should provide Hampton with a nucleus equal to that of '61 when the Pirate "netters" won every conference match.

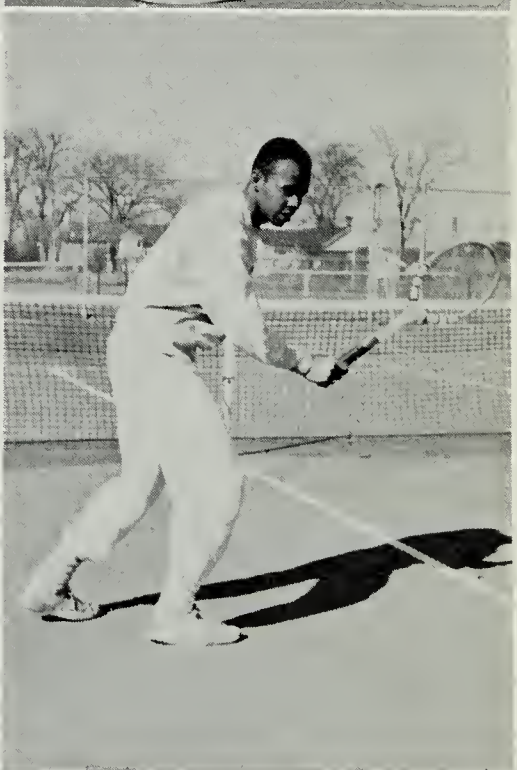

LEON HALL: Has gradually improved. Has a quite consistent game. Will help provide the team with depth.

EDWARD THORPE: Has fine baseline game, is rather consistent and improves each year. His true sportsmanlike personality makes him the spirit of the team.

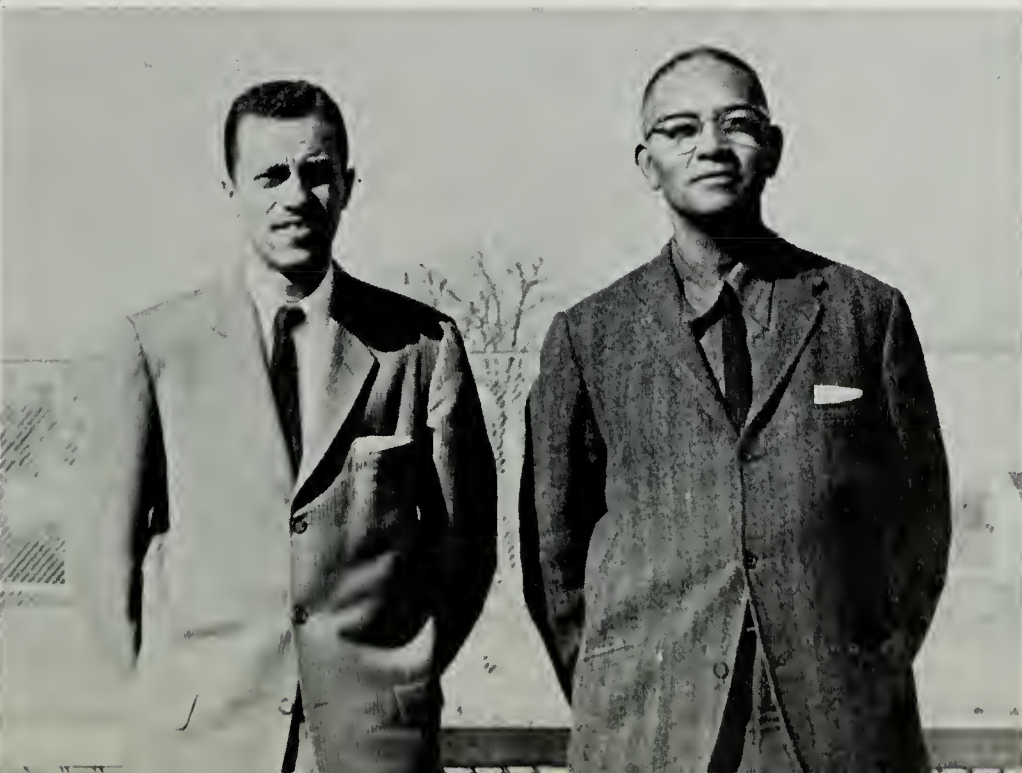

WM. NEILSON: Former ATA Junior Champ. Won the CIAA singles title in love sets in 1961. Has a well rounded game and uses all strokes effectively. Excellent player with great ability.

DOUGLAS SMITH: Played number 3 position last year. Went to the semi-finals at the CIAA championships before losing a close match to Neilson. Calm, has good serve, as well as baseline game. Thinks well.

Intramural Sports

Hampton has a comprehensive intramural sports program designed for the development of physical fitness, group activities and team spirit for those who do not participate in varsity sports.

Under the direction of the Women's Athletic Association, female students participate in a variety of activities including girls' basketball, softball, track, field hockey, volleyball, and badminton.

For the male students, the Physical Education Department provides opportunities for participation in basketball, touch football, softball, tennis, track and swimming.

Kappa Delta Pi Educational Honor Society

Iota Mu Chapter of Kappa Delta Pi, an Honor Society in Education, was installed at Hampton Institute, June 2, 1960. The purpose of Kappa Delta Pi is to encourage high professional, intellectual and personal standards and to recognize outstanding contributions to education. Election to membership is restricted to juniors and seniors in teacher education who exhibit commendable personal qualities, worthy educational ideals, and sound scholarship.

President Norma Blackburn

Chapter Counselor William H. Martin

NEWLY INDUCTED MEMBERS

Alpha Kappa Mu Honor Society

Kappa Delta Chapter of Alpha Kappa Mu was founded in 1940, just three years after the national society was organized. Membership is based upon scholarship and character and is limited to juniors and seniors who have maintained a minimum cumulative average of 3.3 grade points. The group sponsors an annual Scholarship Night program at which recognition is given those students who have made outstanding scholastic achievements. This affair is preceded by an annual banquet for all honor students.

Hampton Institute Debating Society

The Debating Society sponsors an annual series of intramural and intercollegiate debates. Winners of the Frosh-Sophomore and Junior-Senior debates receive the coveted Adams Prize awards. Hampton teams participate in regional and national debate tournaments.

Each year the society is host for the Mid-Atlantic Tournament.

Elected President and Vice President, Harold Rolle and Hulbert James, respectively, confer on tentative program for the year.

THE PRESIDENT AND MEMBERS

Student Council

The Student Council, the student governing organization of Hampton Institute, has as its purpose the uniting of the student body into one smoothly-functioning organization. It also serves as the link between faculty, administration and students.

The Student Council is a member of the United States National Student Association.

Mr. Rolle takes oath of office as administered by Oliver Gray, Chief Justice of Student Court.

Student National Education Association

This organization is composed of students in the field of education. Its purpose is to promote higher standards and ideals among the persons who will be the guides of future citizens.

Reflections

The yearbook, a tedious undertaking, is the resultant of many hours of creative labor. Sufficient credit couldn't possibly be given to the few dedicated ones who persevered. Such persons as Quinton Lynch, Constance Mallory, Anita De Loach, Drury Philip, Lesterine Dancy, Wyoma Gaskins, and Herzenia Price, are not pictured with the staff, but have made invaluable contributions.

However, the reward is found in the pages of this book.

History

Kappa Alpha Psi fraternity was founded at Bloomington, Indiana, in 1911. It was first known as Kappa Alpha Nu, but, in April, 1915, it was incorporated and changed to the present name. This change gave the organization a true Greek name.

Beta Chi was started in 1947. From that time Beta Chi chapter of Kappa Alpha Psi fraternity became firmly established as a distinguished fraternal organization at Hampton Institute. Each year the fraternity gives a deserving male student a scholarship. Also, the "Weaver Orphanage" project, Kappa Kabaret, and special jazz concerts have centered around the activities of the organization.

History

Alpha Phi Alpha Fraternity, Incorporated, paved the way for Negro fraternities. The first of its nature, the fraternity was founded on December 4, 1906, at Cornell University, Ithaca, New York.

Throughout its history Alpha Phi Alpha has maintained its high ideals and altruistic aims, through collective and individual efforts.

Gamma Iota Chapter of Alpha Phi Alpha was founded on February 9, 1947, at Hampton Institute. This chapter has initiated many cultural, social and scholastic activities here at Hampton. It has also maintained a high level of achievement for its members in all phases of college and national activities.

This chapter is proud of its heritage and shall continue to function in the best interest of Hampton Institute.

Que Psi Phi

Omega Psi Phi Fraternity was founded on November 17, 1911, at Howard University. It was the first Greek-letter fraternity to be organized by Negro youth at a Negro institution of higher learning. Founded on the cardinal principles of Scholarship, Manhood, Perseverance, and Uplift, the fraternity is a means of uniting men of high caliber of leadership to inspire willingness to serve in the future and to increase individual competence.

Gamma Epsilon Chapter of Omega Psi Phi Fraternity, located on this campus, was chartered in February, 1947. Its achievements and contributions within the realm of the philosophy of the college make it an integral segment of the college community.

CLASPED HANDS . . . The symbol of friendship and brotherhood . . . the universal qualities which are symbolic of the good life. Throughout the world since time immemorial, men have bound themselves into groups.

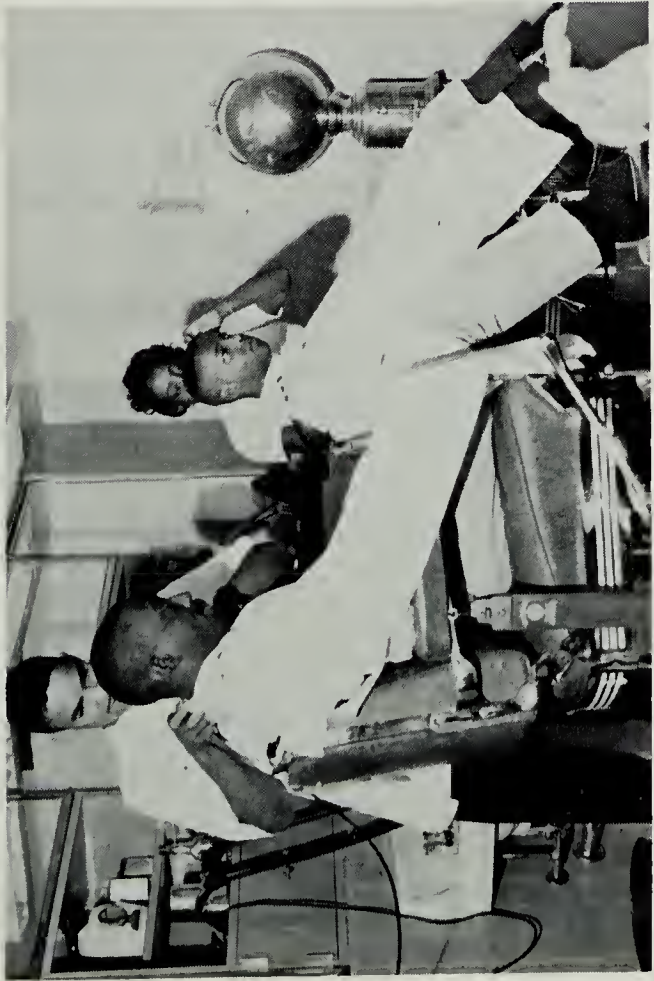

History

During the first semester of the 1912-13 school year a group of industrious young men who had spent the summer at Hampton Institute decided to put a bold idea into reality. They foresaw the need for an organization which would not only help the need in nearby communities, but would also stimulate projects and social activities on the campus.

This group of men began as the "Social Service Club," later the name changed to "Omicron Social Club." Omicron has the distinction of being the first organization of its type on the campus of Hampton Institute.
